#### SUPPLEMENTARY INFORMATION:

### I. Abstract

License Exception TMP of the Export Administration Regulations (15 CFR 740.8) authorizes temporary (not more than one year) exports and reexports of some commodities and software in some situations in which a license otherwise would be required. Information not covered by any other approved collection is obtained from the public in two situations covered by this collection. The first situation is when the exporter or reexporter wishes to keep the commodities or software abroad for more than one year. In such instances, the exporter or reexporter must submit an application for an extension (up to six months) or to convert the transaction to a permanent export or reexport. The second situation occurs when members of the news media wish to use TMP as authorization to take items that otherwise would require a license to destinations in Country Groups D:1 or E:2 or Sudan (see 15 CFR part 740, Supp. No. 1 for the constituents of each country group). In this situation, the exporter or reexporter must submit a copy of the packing list or similar information to BIS before the export or reexport.

In accordance with section 351.213(b) of the regulations, an interested party as defined by section 771(9) of the Act may request in writing that the Secretary conduct an administrative review. For both antidumping and countervailing duty reviews, the interested party must specify the individual producers or exporters covered by an antidumping finding or an antidumping or countervailing duty order or suspension agreement for which it is requesting a review, and the requesting party must state why it desires the Secretary to review those particular producers or exporters. If the interested party intends for the Secretary to review sales of merchandise by an exporter (or a producer if that producer also exports merchandise from other suppliers)

which were produced in more than one country of origin and each country of origin is subject to a separate order, then the interested party must state specifically, on an order-by-order basis, which exporter(s) the request is intended to cover.

As explained in Antidumping and Countervailing Duty Proceedings: Assessment of Antidumping Duties, 69 FR 23954 (May 6, 2003), the Department has clarified its practice with respect to the collection of final antidumping duties on imports of merchandise where intermediate firms are involved. The public should be aware of this clarification in determining whether to request an administrative review of merchandise subject to antidumping findings and orders. See also the Import

Administration Web site at http://www.ia.ita.doc.gov.

Six copies of the request should be submitted to the Assistant Secretary for Import Administration, International Trade Administration, Room 1870, U.S. Department of Commerce, 14th Street & Constitution Avenue, NW., Washington, DC 20230. The Department also asks parties to serve a copy of their requests to the Office of Antidumping/ Countervailing Enforcement, Attention Sheila Forbes, in room 3065 of the main Commerce Building. Further, in accordance with section 351.303(f)(1)(i) of the regulations, a copy of each request must be served on every party on the Department's service list.

The Department will publish in the **Federal Register** a notice of "Initiation

of Administrative Review of Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation" for requests received by the last day of September 2003. If the Department does not receive, by the last day of September 2003, a request for review of entries covered by an order, finding, or suspended investigation listed in this notice and for the period identified above, the Department will instruct the Customs Service to assess antidumping or countervailing duties on those entries at a rate equal to the cash deposit of (or bond for) estimated antidumping or countervailing duties required on those entries at the time of entry, or withdrawal from warehouse, for consumption and to continue to collect the cash deposit previously ordered.

This notice is not required by statute but is published as a service to the international trading community.

Dated: August 27, 2003.

# Notice of Amended Final Determination of Sales at Less Than Fair Value: Polyvinyl Alcohol From the People's Republic of China

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**EFFECTIVE DATE:** September 2, 2003.

### FOR FURTHER INFORMATION CONTACT:

Elizabeth Eastwood or Alice Gibbons, AD/CVD Enforcement Group I, Office 2, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone (202) 482–3874 or (202) 482–0498, respectively.

### **Amendment to Final Determination**

In accordance with sections 735(a) and 777(i)(1) of the Tariff Act of 1930, as amended, (the Act), on August 11, 2003, the Department published its notice of final determination of sales at less than fair value (LTFV) in the investigation of polyvinyl alcohol (PVA) from the People's Republic of China (PRC). See Notice of Final Determination of Sales at Less Than Fair Value: Polyvinyl Alcohol From the

People's Republic of China, 68 FR 47538 (Aug. 11, 2003). On August 11, 2003, we received an allegation, timely filed pursuant to 19 CFR 351.224(c)(2), from the respondent, Sinopec Sichuan Vinylon Group (SVW), that the Department had made a ministerial error in its final determination. We did not receive comments on SVW's submission from the petitioners in this investigation, Celanese Chemicals Ltd. and E.I. Dupont de Nemours & Company. After analyzing SVW's submission, we have determined, in accordance with 19 CFR 351.224(e), that we made a ministerial error in our calculation of total freight expenses for certain sales with CIF Chongqing delivery terms in the margin calculations performed for the final determination.

Further, in reviewing the calculation of SVW's freight expenses for these CIF Chongqing transactions, we discovered two other clerical errors in the margin program directly related to the one identified by the respondent. First, we discovered that the error in total freight expenses discussed above also relates to SVW's FOB Chongqing sales. Second, in determining which inland freight expenses were applicable to SVW's CIF Chongqing sales, we discovered that we had incorrectly recalculated marine insurance expenses. Correcting these errors resulted in a revised margin for SVW.

For a detailed discussion of the ministerial errors noted above, as well as the Department's analysis, see the August 25, 2003, memorandum to Jeffrey May from the Team entitled "Ministerial Error Allegation in the Final Determination of the Antidumping Duty Investigation on Polyvinyl Alcohol from the People's Republic of China."

Therefore, in accordance with 19 CFR 351.224(e), we are amending the final determination of sales at LTFV in the antidumping duty investigation of PVA from the PRC. The revised dumping margins are as follows:

Manufacturer/exporter	Original final mar- gin (percent)	Amended final mar- gin (percent)
Sinopec Sichuan Vinylon Works PRC-wide	7.40 97.86	6.91 97.86

# Continuation of Suspension of Liquidation

In accordance with section 735(c)(1)(B) of the Act, we are directing the U.S. Bureau of Customs and Border Protection (BCBP) to continue to suspend liquidation of all entries of

PVA from the PRC. The BCBP shall require a cash deposit or the posting of a bond equal to the estimated amount by which the normal value exceeds the U.S. price as indicated in the chart above. These instructions suspending liquidation will remain in effect until further notice.

This determination is issued and published pursuant to sections 735(d) and 777(i)(1) of the Act.

Dated: August 26, 2003.
