SECURITIES AND EXCHANGE COMMISSION

Proposed Collection; Comment Request

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of Investor Education and Advocacy, Washington, DC 20549-0213.

Extension: Rule 34b-1; File No. 270-305; OMB Control No. 3235-0346.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*) the Securities and Exchange Commission (the "Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

Rule 34b-1 under the Investment Company Act (17 CFR 270.34b-1) governs sales material that accompanies or follows the delivery of a statutory prospectus ("sales literature").¹ Rule 34b-1 deems to be materially misleading any investment company sales literature required to be filed with

the Commission by Section 24(b) of the Investment Company Act (15 U.S.C. 80a-24(b))² that includes performance data, unless the sales literature also includes the appropriate uniformly computed data and the legend disclosure required in investment company advertisements by rule 482 under the Securities Act of 1933 (17 CFR 230.482). Requiring the inclusion of such standardized performance data in sales literature is designed to prevent misleading performance claims by funds and to enable investors to make meaningful comparisons among fund performance claims.

The Commission estimates that 3,210 respondents file approximately 13,001 responses with the Commission that include the information required by rule 34b-1. The burden from rule 34b-1 requires 2.41 hours per response resulting from creating the information required under rule 34b-1. The total burden hours for rule 34b-1 is 31,332 per year in the aggregate (13,001 responses × 2.41 hours per response). Estimates of average burden hours are made solely for the purposes of the Paperwork Reduction Act, and are not derived from a comprehensive or even a representative survey or study of the costs of Commission rules and forms.

The collection of information under rule 34b-1 is mandatory. The information provided under rule 34b-1 is not kept confidential. The Commission may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proposed performance of the functions of the agency, including whether information will have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given

² Sales literature addressed to or intended for distribution to prospective investors is deemed filed with the Commission for purposes of Section 24(b) of the Investment Company Act upon filing with a national securities association registered under Section 15A of the Securities Exchange Act of 1934 that has adopted rules providing standards for the investment company advertising practices of its members and has established and implemented procedures to review that advertising. See Rule 24b-3 under the Investment Company Act (17 CFR 270.24b-3).

¹ A "statutory prospectus" is a prospectus that meets the requirements of Section 10(a) of the Securities Act of 1933 (15 U.S.C. 77j(a)).
