The United States Patent and Trademark Office (USPTO) will submit to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. Chapter 35).

Agency Approval Number: 0651-0040.

Type of Request: Revision of a currently approved collection.

Burden: 14,423 hours annually.

Number of Respondents: 71,743 responses per year, with an estimated 61,900 responses filed electronically.

Avg. Hours per Response: The USPTO estimates that it will take the public between 10 to 30 minutes (0.17 to 0.50 hours) to provide this information, depending upon the request. This includes the time to gather the necessary information, prepare the petitions, notices, extensions, or additional papers, and submit the completed request to the USPTO. If a mark is successfully opposed, registration will not take place. Section 14 of the Trademark Act, 15 U.S.C. 1064, allows individuals and entities, who believe that they are or

will be damaged by the registration of a mark, to file a petition to cancel the registration of that mark.

Individuals or entities may file an appeal from any final decision of the Trademark Examining Attorney assigned to review an application for registration of a mark under Section 20 of the Trademark Act, 15 U.S.C. 1070.

These petitions, notices, extensions, and additional papers are filed with the Trademark Trial and Appeal Board (TTAB), an administrative tribunal empowered to determine the right to register as the issue may be presented in such cases.

There are no paper forms associated with this collection. However, this collection does contain two suggested formats and six electronic forms that are available through the Electronic System for Trademark Trials and Appeals (ESTTA).

Affected Public: Businesses, other for-profits, and non-profit institutions.
