

cost of training (0.5 hours or about \$10). The cost of compliance for these firms, which appear to have between 5 and 25 employees, not all of whom would need to be trained, is less than \$200 and in most cases, less than \$100. The smallest mail order pharmacies (those with fewer than five employees) have average annual sales of \$1 million. The cost of compliance is, therefore, less than 0.1 percent of sales and would not impose a significant economic burden on any small entity.

The DEA received no public comments with respect to the interim final rule and the DEA has not received any other information that would materially change the impact of this rule on small entities. Therefore, the DEA concludes this rulemaking will not have a significant economic impact on a substantial number of small entities.

Unfunded Mandates Reform Act of 1995

This rule will not impose unfunded mandates as defined by the Unfunded Mandates Reform Act of 1995 (Pub. L. 104–4, 109 Stat. 48). This rule will not result in the expenditure by State, local and tribal governments, in the aggregate, or by the private sector, of \$100 million or more in any one year, and it will not significantly or uniquely affect small governments. Therefore no actions were deemed necessary under the provisions of the Unfunded Mandates Reform Act of 1995.

E.O. 12988 (Civil Justice Reform)

This regulation meets the applicable standards set forth in section 3(a) and 3(b)(2) of Executive Order 12988 Civil Justice Reform.

Executive Order 13132 (Federalism)

This rulemaking has been analyzed in accordance with the principles and criteria contained in Executive Order 13132, and the DEA has determined that this action does not have sufficient federalism implications to warrant the preparation of a federalism summary impact statement. This rulemaking does not impose enforcement responsibilities on any State; nor does it diminish the power of any State to enforce its own laws. The requirements of this rule are mandated under the MEA, and the DEA has no authority to alter them or change the preemption. Accordingly, this rulemaking does not have federalism implications warranting the application of Executive Order 13132.

Executive Order 13175 (Tribal Consultation)

The DEA has analyzed this action under Executive Order 13175 and this rule will not have substantial direct

effects on one or more Indian tribes; will not impose substantial direct compliance costs on Indian tribal governments; and will not preempt tribal law. Therefore, a tribal summary impact statement is not required.

Congressional Review Act

This rule is not a major rule as defined by section 804 of the Small Business Regulatory Enforcement Fairness Act of 1996 (Congressional Review Act). This rule will not result in an annual effect on the economy of \$100 million or more. It will not cause a major increase in costs or prices; or significant adverse effects on competition, employment, investment, productivity, innovation, or on the ability of the United States-based companies to compete with foreign-based companies in domestic and export markets.

RIN 0790–AI98

Professional U.S. Scouting Organization Operations at U.S. Military Installations Overseas

AGENCY: Under Secretary of Defense for Personnel and Readiness, DoD.

ACTION: Final rule.

SUMMARY: This rule updates policy and outlines fiscal and logistical support the DoD may provide to qualified scouting organizations operating on U.S. military installations overseas based on Executive Order 12715, Support of Overseas Scouting Activities for Military Dependents, and pertinent statutes as discussed below. It is DoD policy to cooperate with and assist qualified scouting organizations in establishing and providing facilities and

services, within available resources, at locations outside the United States to support DoD personnel and their families.

DATES: This rule is effective February 24, 2016.

FOR FURTHER INFORMATION CONTACT: Mr. Chris Wright, 703–588–0172.

SUPPLEMENTARY INFORMATION: The Department of Defense published a proposed rule on November 24, 2014 (79 FR 69777–69781), with a request for public comments. The 60-day public comment period ended on January 23, 2015. One public comment was received. This comment is addressed as follows:

Comment: It is my opinion that this unchecked support of the scouting organizations violates the Establishment Clause of Amendment I to the United States Constitution. The Boy Scouts have acted as a religious organization by using religion as a reason to exclude gay scout leaders. Providing facilities and equipment free of charge effectively supports this effort and therefore violates the Establishment Clause. I wholeheartedly do not support this rule change.

Response: During litigation, the Department of Defense (DoD), along with the Department of Justice, has consistently defended the legality of the statutorily authorized support to the Boy Scouts of America (BSA) and other organizations. In briefs, the Government has argued that: (1) The BSA is a civic organization, which focuses on citizenship training, community service and outdoor activities and physical fitness; (2) DoD support to the BSA has advanced several compelling military purposes; and (3) DoD support to the BSA does not result in Government indoctrination or endorsement of religion.

Executive Summary

I. Purpose of the Regulatory Action

This rule provides that support provided by DoD is documented in written agreements and signed by the appropriate regional combatant commander. Also, it would require installation-specific support and services to be based on a written agreement and signed by the installation commander or designee. These agreements will replace the need for these organizations to submit individual articles of incorporation, written constitutions, charters, or articles of agreement to gain approval from the installation commander to operate on the installation. In addition to Executive Order 12715, Title 10 of the United

States Code specifies the DoD's authority to issue rules in this area.

Title 10, U.S.C., section 2606 provides that: The Secretary may collaborate with qualified scouting organizations in establishing and providing facilities and services for members of the armed forces and their dependents, and civilian employees of the Department of Defense and their dependents, at locations outside the United States. Qualified scouting organizations may be furnished support such as some transportation support, available office space, warehousing, utilities, supplies and a means of communication, without charge. The Secretary may reimburse a qualified scouting organization for all or part of the pay of an employee of that organization for any period during which the employee was performing services, however any such reimbursement may not be made from appropriated funds. Employees of a qualified scouting organization will not be considered to be employees of the United States, and the term "qualified scouting organization" means the Girl Scouts of the United States of America and the Boy Scouts of America.

Title 10, U.S.C., section 2554 provides that: The Secretary of Defense is authorized to lend to the Boy Scouts of America without reimbursement, for the use and accommodation of Scouts, Scouters, and officials who attend any national or world Boy Scout Jamboree, items such as cots, blankets, commissary equipment, flags, refrigerators, and other equipment. Additionally, expendable medical supplies and services, as may be necessary or useful to the extent that items are in stock and items or services are available, can be provided at no expense to the United States Government for the delivery, return, rehabilitation, or replacement of such items. Before delivering such property, the Secretary of Defense will take good and sufficient bond for the safe return of such property in good order and condition, and the whole without expense to the United States. The Secretary of Defense is also authorized to provide, without expense to the United States Government, transportation from the United States or military commands overseas, and return, on vessels of the Military Sealift Command or aircraft of the Air Mobility Command for Boy Scouts, Scouters, and officials certified by the Boy Scouts of America, as representing the Boy Scouts of America at any national or world Boy Scout Jamboree to the extent that such transportation will not interfere with the requirements of military operations. The Secretary of Defense shall take from the

Boy Scouts of America, a good and sufficient bond for the reimbursement to the United States, of the actual costs of transportation. If a Boy Scout Jamboree is held on a military installation, the Secretary of Defense may provide personnel services and logistical support at the military installation in addition to the support previously stated. Other departments of the Federal Government are authorized, under such regulations as may be prescribed by the Secretary thereof, to provide to the Boy Scouts of America equipment and other services under the same conditions and restrictions prescribed in the preceding subsections for the Secretary of Defense. The Secretary of Defense shall provide at least the same level of support for a national or world Boy Scout Jamboree as was provided for the preceding national or world Boy Scout Jamboree. The Secretary of Defense may waive all support if it determines that providing the support would be detrimental to the national security of the United States.

Title 10, U.S.C., section 2555 provides: The Secretary of Defense is authorized to provide, without expense to the United States Government, transportation from the United States or military commands overseas, and return, on vessels of the Military Sealift Command or aircraft of the Air Mobility Command for Girl Scouts and officials certified by the Girl Scouts of the United States of America at any International World Friendship Event or Troops on Foreign Soil meeting which is endorsed and approved by the National Board of Directors of the Girl Scouts of the United States of America and is conducted outside of the United States. Support is also authorized for United States citizen delegates coming from outside of the United States to triennial meetings of the National Council of the Girl Scouts of the United States of America, and for the equipment and property of Girl Scouts and officials, to the extent that such transportation will not interfere with the requirements of military operations. Before furnishing any transportation, the Secretary of Defense shall take from the Girl Scouts of the United States of America a good and sufficient bond for the reimbursement to the United States by the Girl Scouts of the United States of America, of the actual costs of transportation furnished. Amounts paid to the United States to reimburse it for the actual costs of transportation furnished will be credited to the current applicable appropriations or funds to which such costs were charged and shall be available for the same purposes as such appropriations or funds.

Executive Order 12715, May 3, 1990, 55 FR 19051, discusses the cooperation and assistance authorized by section 2606(a) of title 10, and requires the Secretary of Defense to issue regulations concerning support.

II. Summary of the Major Provisions of the Regulatory Action in Question

This rule discusses the types of support DoD installation commanders are authorized to provide, ensures appropriated fund (APF) and non-appropriated fund (NAF) assets are used correctly, and requires the cost of the support provided to be shared by each of the Military Services in proportion to benefits derived by their members from overseas scouting programs.

III. Costs and Benefits

Program costs are less than \$700,000 per year, consisting primarily of salaries, transportation costs, and supplies to support scouting programs that directly complement and improve quality of life programming for military families overseas.

Retrospective Review

This rule is part of DoD's retrospective plan, completed in August 2011, under Executive Order 13563, "Improving Regulation and Regulatory Review." DoD's full plan and updates can be accessed at: <http://www.regulations.gov/#!docketDetail;dt=FR+PR+N+O+SR;pp=10;po=0;D=DOD-2011-OS-0036>.

Executive Order 12866, "Regulatory Planning and Review" and Executive Order 13563, "Improving Regulation and Regulatory Review"

Executive Orders 13563 and 12866 direct agencies to assess all costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits (including potential economic, environmental, public health and safety effects, distribute impacts, and equity). Executive Order 13563 emphasizes the importance of quantifying both costs and benefits, of reducing costs, of harmonizing rules, and of promoting flexibility. This rule has been designated a nonsignificant regulatory action and not economically significant under section 3(f) of Executive Order 12866. The rule has been reviewed by the Office of Management and Budget (OMB).

Sec. 202, Pub. L. 104-4, "Unfunded Mandates Reform Act"

Section 202 of the Unfunded Mandates Reform Act of 1995 (UMRA)

(Pub. L. 104–4) requires agencies assess anticipated costs and benefits before issuing any rule whose mandates require spending in any 1 year of \$100 million in 1995 dollars, updated annually for inflation. In 2014, that threshold is approximately \$141 million. This interim final rule will not mandate any requirements for State, local, or tribal governments, nor will it affect private sector costs.

Public Law 96–354, “Regulatory Flexibility Act” (5 U.S.C. 601)

This rule will not have a significant economic impact, positive or negative, on a substantial number of small entities under the criteria of the Regulatory Flexibility Act.

Public Law 96–511, “Paperwork Reduction Act” (44 U.S.C. Chapter 35)

This rule does not impose reporting or recordkeeping requirements under the Paperwork Reduction Act of 1995.

Executive Order 13132, “Federalism”

DoD has determined this final rule would not have federalism implications under Executive Order 13132. It does not have a substantial direct effect on the States, on the relationship between the national Government and the States, or on the distribution of power and responsibilities among the various levels of government.

§ 252.6 Procedures.

(a) *General guidance.* (1) Support provided by DoD and services provided by qualified scouting organizations is documented in a written agreement and signed by the appropriate regional combatant commander or designee. Installation-specific support and services are documented in a written agreement and signed by the installation commander or designee. This agreement replaces the need for qualified scouting organizations to submit individual articles of incorporation, written constitutions, charters, or articles of agreement to gain approval from the installation commander to operate on the installation as required by 32 CFR part 212.

(2) Overseas installation commanders may authorize DoD support for qualified scouting organizations outside the United States when:

(i) Support is permitted under international agreements with the host nation, if applicable.

(ii) Support is permitted pursuant to law and DoD issuances.

(iii) Such support is within the capabilities of their respective installations.

(iv) Providing such support will not impede fulfillment of the military mission.

(3) Committees composed of representatives of the Military Services will be formed to review annual qualified scouting organization budget requirements.

(4) Overseas scouting committees will provide the overseas scouting organizations with information on the scouting requirements of DoD personnel and will monitor and evaluate the scouting organizations’ efforts to satisfy those requirements.

(5) Funds raised by the scouting organizations, as a non-Federal entity, cannot be commingled with NAF funds and will be made available for annual audits.

(6) Employees of a qualified scouting organization are not considered to be U.S. Government employees, or

employees of an instrumentality of the United States for the purpose of benefits or entitlements.

(i) APF and NAFs are not used to reimburse their salaries and benefits.

(ii) They are not entitled to participate in the NAF retirement fund.

(iii) Serving in those positions does not constitute NAF employment credit or produce rehire priority.

(7) These organizations generally are not covered under the terms of United States' Status of Forces or other relevant agreements with host nations.

(i) Questions regarding whether they are covered under such agreements should be referred to the legal office servicing the applicable command. Applicability of any relevant agreements would be addressed with the host nation only by the applicable command, and not the organization.

(ii) To the extent the organization is not covered under any relevant agreement, host nation laws apply. In all cases, the host nation will determine the scope and extent of the applicability of host nation laws to these employees.

(b) *Funding guidance.* (1) Any APF and NAF support provided will be programmed and approved on an annual basis by the DoD Components. NAF support is authorized for youth activities programs in accordance with DoD Instruction 1015.15, "Establishment, Management, and Control of Nonappropriated Fund Instrumentalities and Financial Management of Supporting Resources" (available at <http://www.dtic.mil/whs/directives/corres/pdf/101515p.pdf>) and for qualified scouting organizations in accordance with paragraph (b)(5) of this section.

(2) APF may be used in conjunction with overseas scouting organizations. The following services may be provided on a non-reimbursable basis:

The Military Service determines the priority of such leasing actions. These civilians are required to pay the established rental rate in accordance with DoD 4165.63-M and Military Service guidance.

(vii) Pursuant to DoD Instruction 1330.17, "DoD Commissary Program" (available at <http://www.dtic.mil/whs/directives/corres/pdf/133017p.pdf>), overseas installation commanders or Secretaries of the Military Departments may extend commissary access through official support agreements.

(viii) Pursuant to DoD Instruction 1330.21, "Armed Services Exchange Regulations" (available at <http://www.dtic.mil/whs/directives/corres/pdf/133021p.pdf>), the Secretaries of the Military Departments may grant Armed Forces Exchange deviations with regard

to authorized patron privileges for individuals or classes and groups of persons at specific installations when based on alleviating individual hardships.

(4) NAF may be used in conjunction with qualified scouting organizations to:

(i) Reimburse for salaries and benefits of employees of those organizations for periods during which their professional scouting employees perform services in overseas areas in direct support of DoD personnel and their families.

(ii) Reimburse travel to and from official meetings of the overseas scouting committee upon approval from the appropriate combatant commander.
