[CA 660-07-5101-ER]

Notice of Availability of Final Environmental Impact Statement/Environmental Impact Report (EIS/EIR) for the Proposed Mountain View IV Wind Energy Project

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice of Availability.

SUMMARY: In accordance with the National Environmental Policy Act of 1969 (NEPA, 42 U.S.C. 4321 *et seq.*) and the Federal Land Policy and Management Act of 1976 (FLPMA, 43 U.S.C. 1701 *et seq.*), the Bureau of Land Management (BLM), with the City of Palm Springs, has prepared a Final Environmental Impact Statement/Environmental Impact Report (EIS/EIR) for the proposed Mountain View IV Wind Energy Project and by this notice is announcing the availability of the document. The BLM is the lead Federal agency for the preparation of this EIS and the City of Palm Springs is the lead State of California agency for the preparation of this EIR.

DATES: The document will be available for 30 days following publication of a Notice of Availability (NOA) of this document, in the **Federal Register**, by the Environmental Protection Agency (EPA). The BLM will not issue a final decision on the proposal for a minimum of 30 days following publication of EPA's NOA.

ADDRESSES: A copy of the Final EIS/EIR for the Proposed Mountain View IV Wind Energy Project is available for review at the BLM Palm Springs-South Coast Field Office, 690 W. Garnet Avenue, North Palm Springs, California, during regular business hours of 7:45 a.m. to 4:30 p.m., Monday through Friday, except holidays, and at the Palm Springs Public Library located at 300 South Sunrise Way, Palm Springs, CA 92262. Copies are also available via the Internet at <http://www.blm.gov/ca/palmsprings>. Electronic (on CD-ROM) or paper copies may also be obtained by contacting the BLM at the aforementioned address.

FOR FURTHER INFORMATION CONTACT: For further information contact Greg Hill, Bureau of Land Management, Palm Springs-South Coast Field Office, (760) 251-4840, or by e-mail at Greg_Hill@ca.blm.gov.

SUPPLEMENTARY INFORMATION: Mountain View Power Partners IV, LLC has applied for a right-of-way on public lands and a conditional use permit on private lands to construct a wind energy generating facility in the Coachella Valley, in Riverside County. The project site is west of Indian Avenue and is within the corporate boundary of the City of Palm Springs and within the planning area for the draft Coachella Valley Multiple Species Habitat Conservation Plan. Operations are expected to last approximately 30 years. The proposed project would install a total of approximately 42 to 50 wind turbines on public and private lands, with a total generating capacity of approximately 49 megawatts. Related structures would include access roads, a 34.5-kV powerline and an electrical substation. If approved, the wind energy generating facility on public lands would be authorized in accordance with Title V of FLPMA and the Federal regulations at 43 CFR part 2800. The proposed project would take approximately 7 months to construct. A Notice of Intent To Prepare an EIS/EIR was published in the **Federal Register** on June 5, 2006, and invited comments on issues which may have been relevant to preparation of the document. A public scoping meeting was held on June 27, 2006 in the City of Palm Springs. The Draft EIS/EIR was released for public review, with a 45-day comment period, on February 23, 2007. Following release of the Draft EIS/EIR, a public meeting was held to solicit additional comments on the document. Two comment letters were submitted on the Draft EIS/EIR. No comments contained in these letters resulted in substantive changes being made to the Draft EIS/EIR in preparing the Final EIS/EIR.

The BLM will consider any comments submitted during this period to determine whether they identify significant new circumstances or information relevant to environmental concerns bearing upon the proposed action. The BLM will prepare a Record of Decision (ROD) for the proposed project after the 30-day period following publication of the NOA. Before including your address, phone number, e-mail address, or other personal identifying information in your comment, you should be aware that your entire comment—including your

personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Field Manager, Palm Springs-South Coast Field Office.

ACTION: Amended Notice.

SUMMARY: This is an amended notice for Environmental Impact Statement (EIS) No. 20080416, Final EIS, Bureau of Land Management (BLM), Oregon (OR), Western Oregon BLM Districts of Salem, Eugene, Roseburg, Coos Bay, and Medford Districts, and the Klamath Falls Resource Area of the Lakeview District, Revision of the Resource Management Plans (RMP), Implementation, OR, which originally published in the **Federal Register** on October 17, 2008 [73 FR 61905]. This amended notice reflects a decision by the BLM to offer a protest period on the proposed revision of the Western Oregon RMPs. Any person who participated in the planning process and has an interest which is or may be adversely affected by the approval of the proposed RMPs may protest such approval. A protest period is not a comment period. A valid protest addresses only those issues which were submitted for the record during the planning process and contains a concise statement explaining why the decision to adopt the proposed plan would violate an applicable statute, regulation or BLM policy.

DATES: The protest shall be filed (postmarked or delivered) by December 8, 2008. E-mailed and faxed protests will not be accepted as valid protests

unless the protesting party also provides the original letter by either regular mail (USPS) or overnight delivery service postmarked by the close of the protest period. Under these conditions, the BLM will consider the e-mailed or faxed protest as an advance copy and will afford it full consideration. If you wish to provide the BLM with such advance notification, please direct faxed protests to the attention of Brenda Hudgens-Williams—BLM protest coordinator at 202-208-5010, and e-mailed protests to: Brenda_Hudgens-Williams@blm.gov.

ADDRESSES: You may send your protest to one of the following addresses:

- A statement of the issue or issues being protested;
- A statement of the part or parts of the plan or amendment being protested;
- A copy of all documents addressing the issue or issues that were submitted during the planning process by the protesting party or an indication of the date the issue or issues were discussed or provided for the record; and
- A concise statement explaining why the decision to adopt the proposed plan would violate an applicable statute, regulation or BLM policy.

Concerns that have not been raised previously in the planning process, concerns that are not germane to the planning process, and/or statements that merely reflect disagreement, express opinions, or make demands or allegations without the support of a concise statement on why a decision to adopt the proposed plan is in error will not be further analyzed and will be considered invalid protests.

- The Director shall promptly render a decision on all valid protests and will send his written decision to the protesting party by certified mail, return receipt requested.
- The decision of the Director shall be the final decision of the Department of the Interior.
