

Total estimated cost: \$6,259,214 (per year), includes \$0 annualized capital or operation & maintenance costs.

Changes in the Estimates: There is an increase of 66,240 hours in the total estimated respondent burden compared with the ICR currently approved by OMB. This increase is due to an adjustment change in the size of the respondent universe due to the return of congressional earmarks in the EPA annual appropriations act.

Director, Regulatory Support Division.
