A 60-day Notice requesting public comment was published in the **Federal Register** on May 23, 2022 at Vol. 87, 3218. This comment period ended July, 23, 2022. Zero public comments were received from this Notice.

Title of Collection: NCCC Service Project Application.

OMB Control Number: 3045–0010.

Type of Review: Renewal.

Respondents/Affected Public: Current and prospective AmeriCorps NCCC sponsors.

Total Estimated Number of Annual Responses: 1,800.

Total Estimated Number of Annual Burden Hours: 17,100.

Abstract: The AmeriCorps NCCC Service Project Application is completed by organizations interested in sponsoring an AmeriCorps National Civilian Community Corps (NCCC) team. Each year, AmeriCorps NCCC engages teams of members in projects in communities across the United States. Service projects, which typically last from six to eight weeks, address critical needs in natural and other disasters, infrastructure improvement, environmental stewardship and conservation, energy conservation, and urban and rural development. Members construct and rehabilitate low-income housing, respond to natural disasters, clean up streams, help communities develop emergency plans, and address other local needs.

AmeriCorps has made several changes to the application in an effort to streamline it for users. Based on feedback from stakeholders, the application now has additional project objective options users may select, and the radio buttons have been changed to check boxes to allow users to select as many objectives as they would like. The NCCC Service Project Application was also simplified by deleting the “Organizational Capacity” and “Needs” narrative pages.

AmeriCorps seeks to renew the current information collection. The revisions are intended to simplify the application process for prospective sponsors. The information collection will otherwise be used in the same

manner as the existing application. AmeriCorps also seeks to continue using the current application until the revised application is approved by OMB. The current application is due to expire on 10/31/2022.

Dated: July 26, 2022.

Walter Goodson,

Director, AmeriCorps NCCC.
