The form was made available in connection with a broadcast Equal Employment Opportunity ("EEO") rule adopted in January 2000 that was subsequently vacated as a result of a Court order. As a result of the Court's action, the prior version of Form 396 was suspended in January 2001. The current version was adopted by the *Second Report and Order*, (68 FR 670, January 7, 2003) and *Third Notice of Proposed Rule Making* (67 FR 77374, December 17, 2002) in *MM Docket No. 98-204*, that adopted a new broadcast EEO rule. It is substantially similar to the version adopted in January 2000.

4. In the NPRM, which announced the Commission's electronic filing requirement, the Commission recognized the need for limited waivers of this requirement in light of the "burden that electronic filing could place upon some licensees who are seeking to serve the public interest, with limited resources, and succeed in a highly competitive local environment." Such waivers will not be routinely granted and the applicant must plead with particularity the facts and circumstances warranting relief.

5. Instructions for use of the electronic filing system are available in the CDBS User's Guide which can be accessed from the electronic filing web site. Special attention should be given to the details of the applicant account registration function, form filing function, and the fee form handling procedures, if a fee is required. Failure to follow the procedures in the User's Guide may result in an application being dismissed, returned, or not considered as officially filed.

6. Internet access to the CDBS public access system at the Commission's Web site requires a user to have a browser such as Netscape version 3.04 or Internet Explorer version 3.51, or later.

7. For technical assistance using the system or to report problems, please contact the CDBS Help Desk at (202) 418-2MMB. To request additional information concerning specific broadcast applications, please call (202) 418-2700 (radio forms) or (202) 418-1600 (television forms).
