SUPPLEMENTARY INFORMATION: The Advisory Committee on Student Financial Assistance is established under Section 491 of the Higher Education Act of 1965 as amended by Pub. L. 100-50 (20 U.S.C. 1098). The Advisory Committee serves as an independent source of advice and counsel to the Congress and the Secretary of Education on student financial aid policy. Since its inception, the Committee has been charged with providing technical expertise with regard to systems of need analysis and application forms, making recommendations that result in the maintenance of access to postsecondary education for low-and middle-income students; conducting a study of institutional lending in the Stafford Student Loan Program; assisting with activities related to the 1992 reauthorization of the Higher Education Act of 1965; conducting a third-year evaluation of the Ford Federal Direct Loan Program (FDLP) and the Federal Family Education Loan Program (FFELP) under the Omnibus Budget Reconciliation Act (OBRA) of 1993; and assisting Congress with the 1998 reauthorization of the Higher Education Act.

The congressional mandate requires the Advisory Committee to conduct objective, nonpartisan, and independent analyses on important aspects of the student assistance programs under Title IV of the Higher Education Act. The Committee traditionally approaches its work from a set of fundamental goals: Promoting program integrity, eliminating or avoiding program complexity, integrating delivery across the Title IV programs, and minimizing burden on students and institutions.

Reauthorization of the Higher Education Act has provided the Advisory Committee with a significantly expanded agenda in six major areas, such as, Performance-based Organization (PBO); Modernization; Technology; Simplification of Law and Regulation; Distance Education; and Early Information and Needs

Assessment. In each of these areas, Congress has asked the Committee to: monitor progress toward implementing the Amendments of 1998; conduct independent, objective assessments; and make recommendations for improvement to the Congress and the Secretary. Each of these responsibilities flows logically from and effectively implements one or more of the Committee's original statutory functions and purposes.

The proposed agenda includes: (a) Round table discussion sessions regarding the findings of Access Denied and related research, in particular, the implications of unmet need on low-income students, and the role of academic preparation on access; and (b) the Committee's plans for fiscal year 2002. In addition, other Committee business will be addressed. Space is limited and you are encouraged to register early if you plan to attend. You may register through Internet at ADV.COMSFA@ed.gov or Tracy.Deanna.Jones@ed.gov. Please include your name, title, affiliation, complete address (including Internet and e-mail—if available), and telephone and fax numbers. Also, you may contact the Advisory Committee Staff at (202) 708-7439. The registration deadline is Tuesday, September 4, 2001.

The Advisory Committee will meet in Washington, D.C. on Thursday, September 13, 2001, from 9:00 a.m. until approximately 6:00 p.m., and on Friday, September 14, from 8:30 a.m. until approximately 2:00 p.m. The meeting will be closed to the public on September 13, from approximately 4:30 p.m. to 6:00 p.m. to discuss personnel matters. The ensuing discussions will relate to internal personnel rules and practices of an agency and will disclose information of a personal nature where disclosure would constitute a clearly unwarranted invasion of personal privacy if conducted in open session. Such matters are protected by exemptions (2) and (6) of Section 552(b)(c) of Title 5 U.S.C. A summary of the activities at the closed session and related matters that are informative to the public consistent with the policy of Title 5 U.S.C. 552(b) will be available to the public within fourteen days after the meeting.

Records are kept of all Committee proceedings, and are available for public inspection at the Office of the Advisory Committee on Student Financial Assistance, Portals Building, 1280 Maryland Avenue, S.W., Suite 601,
