SUPPLEMENTARY INFORMATION: This ICR seeks OMB approval under the PRA for revisions to the Application for Alien Employment Certification information collection that helps the DOL to meet its statutory responsibilities for program administration, management, and oversight under the Immigration and Naturalization Act (INA). INA section 212(a)(5)(A)(iii) deals specifically with professional athletes coming to the U.S.A. on a permanent basis as

immigrants, and Form ETA-750, part A is used to collect information that permits the DOL to meet Federal responsibilities for such entry. Form ETA-750, part B provides detailed information about an alien's education and work history and is used by the DOL to collect information about the professional athlete on whose behalf an application for permanent labor certification is filed. The Department of Homeland Security also uses part B for foreign workers applying for the National Interest Waiver of the job offer requirement under INA section 203(b)(2)(B)(i). This use is required under is also required 8 CFR 204.5(k)(4)(ii).

This information collection has been classified as a revision, because Form ETA-9142B is now used to obtain information needed to issue an H-2B visa to a professional athlete seeking temporary non-immigrant admission into the U.S.A. The DOL has previously used Form ETA-750 part A to collect information for labor certification for athletes seeking either temporary or permanent admission. The DOL obtains PRA authority for Form ETA-9142B under Control Number 1205-0509, and this ICR will merely conclude the transfer of the burden from one Control Number to another.

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless it is approved by the OMB under the PRA and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid Control Number. See 5 CFR 1320.5(a) and 1320.6. The DOL obtains OMB approval for this information collection under Control Number 1205-0015. The current approval is scheduled to expire on April 30, 2014; however, the DOL notes that existing information collection requirements submitted to the OMB receive a month-to-month extension while they undergo review. For additional substantive information about this ICR, see the related notice published in the **Federal Register** on January 3, 2014 (79 FR 407).

Interested parties are encouraged to send comments to the OMB, Office of Information and Regulatory Affairs at the address shown in the ADDRESSES section within 30 days of publication of this notice in the **Federal Register**. In order to help ensure appropriate

consideration, comments should mention OMB Control Number 1205-0015. The OMB is particularly interested in comments that:
