

collection activities for an additional 3 years.

The purpose of this notice is to solicit comments from the public (as well as affected agencies) concerning our information collection. These comments will help us:

(1) Evaluate whether the collection of information is necessary for the proper performance of the functions of the Agency, including whether the information will have practical utility;

(2) Evaluate the accuracy of our estimate of the burden of the collection of information, including the validity of the methodology and assumptions used;

(3) Enhance the quality, utility, and clarity of the information to be collected; and

(4) Minimize the burden of the collection of information on those who are to respond, through use, as appropriate, of automated, electronic, mechanical, and other collection technologies; *e.g.*, permitting electronic submission of responses.

Estimate of burden: The public reporting burden for this collection of information is estimated to average 0.243 hours per response.

Respondents: Livestock producers and bison, cervid, equid, and dairy farmers; information users; NAHMS Descriptive Report recipients; U.S. Animal Health Report recipients; practicing veterinarians; animal importers/exporters; and State and independent laboratories.

Estimated annual number of respondents: 18,500.

Estimated annual number of responses per respondent: 0.278.

Estimated annual number of responses: 5,150.

Estimated total annual burden on respondents: 1,236 hours. (Due to averaging, the total annual burden hours may not equal the product of the annual number of responses multiplied by the reporting burden per response.)

All responses to this notice will be summarized and included in the request for OMB approval. All comments will also become a matter of public record.

Done in Washington, DC, this 20th day of May 2015.

Kevin Shea,

Administrator, Animal and Plant Health Inspection Service.

BILLING CODE 3410-34-P

CHEMICAL SAFETY AND HAZARD INVESTIGATION BOARD

Sunshine Act Meeting

TIME AND DATE: June 10, 2015, 9 a.m.–5 p.m. EDT.

PLACE: U.S. Chemical Safety Board, 2175 K St. NW., 4th Floor Conference Room, Washington, DC 20037.

STATUS: Open to the public.

MATTERS TO BE CONSIDERED: The Chemical Safety and Hazard Investigation Board (CSB) will convene a public meeting on June 10, 2015, starting at 9 a.m. at the CSB's headquarters, located at 2175 K St. NW., 4th Floor Conference Room, Washington, DC 20037. The first part of the public meeting (9 a.m. to 12:30 p.m.) will focus on a discussion with stakeholders and provide an opportunity for public comment regarding emerging safety issues and CSB's investigations and recommendations programs. The morning agenda may also include Board discussion and vote(s) on motions related to Board governance when there is a vacancy in the Chairperson position.

In the afternoon part of the public meeting (starting at 1:30 p.m.), the Board will consider and may vote on the final report of the CSB's investigation into the 2009 incident at the CAPECO petroleum tank farm in Puerto Rico. Following the staff presentation, the Board will hear comments from the public. All staff presentations are preliminary and are intended solely to allow the Board to consider in a public forum the issues and factors involved in the case. No factual analyses, conclusions, or findings presented by staff should be considered final. At the conclusion of the staff presentation, the Board may vote on the final product(s).

Additional Information

The meeting is free and open to the public. If you require a translator or interpreter, please notify the individual listed below as the "Contact Person for Further Information," at least three business days prior to the meeting.

The CSB is an independent federal agency charged with investigating accidents and hazards that result, or may result, in the catastrophic release of extremely hazardous substances. The agency's Board Members are appointed by the President and confirmed by the Senate. CSB investigations look into all aspects of chemical accidents and hazards, including physical causes such as equipment failure as well as inadequacies in regulations, industry

standards, and safety management systems.

Public Comment

The time provided for public statements will depend upon the number of people who wish to speak. Speakers should assume that their presentations will be limited to five minutes or less, but commenters may submit written statements for the record.

Contact Person for Further Information
