

to OMB to approve this ICR. Before including your address, phone number, email address, or other personally identifying information (PII) in your comment, you should be aware that your entire comment—including your PII—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Abstract: We have developed an online application that enables collaborators and volunteers to watch video clips collected from wildlife video camera collars and enter data observed in the clips into the online application. Information collected from the videos will be analyzed to assess wildlife activity budgets, reproduction, diets, and preferred habitat conditions, and used to better understand mechanisms influencing wildlife movements, distributions and population trends. Results of the analyses will be published in peer-reviewed scientific publications that will be available to the public.

Title of Collection: Wildlife Video Data Scoring.

OMB Control Number: 1028–0130.

Form Number: None.

Type of Review: Extension of a currently approved collection.

Respondents/Affected Public: Project collaborators (including some DOI agency employees) and volunteers.

Total Estimated Number of Annual Respondents: 12.

Total Estimated Number of Annual Responses: 8000.

Estimated Completion Time per Response: 2 minutes on average.

Total Estimated Number of Annual Burden Hours: 267.

Respondent's Obligation: Voluntary.

Frequency of Collection: Depends on the time and interest of the respondent. Some respondents will enter data on a weekly basis, others will enter data less frequently.

Total Estimated Annual Nonhour Burden Cost: None.

The authority for this action is the PRA of 1995 (44 U.S.C. 3501 *et seq.*).

John M. Pearce,
Supervisory Wildlife Biologist, Alaska Region.

Colorado River Basin Salinity Control Advisory Council Notice of Public Meeting

AGENCY: Bureau of Reclamation, Interior.

ACTION: Notice of public meeting.

SUMMARY: The Bureau of Reclamation (Reclamation) is publishing this notice to announce that a Federal Advisory Committee meeting of the Colorado River Basin Salinity Control Advisory Council (Council) will take place. The meeting is open to the public.

DATES: The meeting will be held in-person and virtually on Tuesday, June 3, 2025, from 1:30 p.m. to 4:30 p.m. mountain daylight time.

ADDRESSES: The in-person meeting will be held at The Cliff Lodge, 9320 South Cliff Lodge Drive, Snowbird, UT 84092. To access the meeting virtually, please contact Ms. Kathleen Callister (see **FOR FURTHER INFORMATION CONTACT** section of this notice) no later than May 27, 2025, to receive instructions for accessing the meeting.

FOR FURTHER INFORMATION CONTACT: Ms. Kathleen Callister, Bureau of Reclamation, telephone (801) 524–3781; email at kcallister@usbr.gov. Individuals in the United States who are deaf, deafblind, hard of hearing, or have a speech disability may dial 711 (TTY, TDD, or TeleBraille) to access telecommunications relay services. Individuals outside the United States should use the relay services offered within their country to make international calls to the point-of-contact in the United States.

SUPPLEMENTARY INFORMATION: The meeting of the Council is being held under the provisions of the Federal Advisory Committee Act of 1972. The Council was established by the Colorado River Basin Salinity Control Act of 1974 (Pub. L. 93–320) (Act) to receive reports and advise Federal agencies on implementing the Act.

Purpose of the Meeting: The purpose of the meeting is to discuss the accomplishments of Federal agencies and make recommendations on future activities to control salinity in the Colorado River Basin.

Agenda: Council members will be briefed on the status of salinity control activities. Discussions about salinity control research studies will occur. The Bureau of Reclamation, Bureau of Land

Management, U.S. Fish and Wildlife Service, and United States Geological Survey of the Department of the Interior; the Natural Resources Conservation Service of the Department of Agriculture; and the Environmental Protection Agency will each present a progress report and a schedule of activities on salinity control in the Colorado River Basin. The Council will discuss salinity control activities, the contents of the reports, and the Basin States Program created by Public Law 110–246, which amended the Act. A final agenda will be posted online at <https://www.usbr.gov/uc/progact/salinity/> at least one week prior to the meeting.

Meeting Accessibility/Special Accommodations: The meeting is open to the public. Please make requests in advance for sign language interpreter services, assistive listening devices, language translation services, or other reasonable accommodations. We ask that you contact Ms. Kathleen Callister (see **FOR FURTHER INFORMATION CONTACT** section of this notice) at least seven (7) business days prior to the meeting to give the Department of the Interior sufficient time to process your request. All reasonable accommodation requests are managed on a case-by-case basis.

Public Disclosure of Comments: The Council chairman will provide time for oral comments from members of the public at the meeting. Individuals wanting to make an oral comment should contact Ms. Kathleen Callister (see **FOR FURTHER INFORMATION CONTACT** section of this notice) to be placed on the public comment list. Members of the public may also file written statements with the Council before, during, or up to 30 days after the meeting either in person or by mail. To allow full consideration of information by Council members at this meeting, written comments must be provided to Ms. Kathleen Callister (see **FOR FURTHER INFORMATION CONTACT** section of this notice) by May 22, 2025. Due to time constraints during the meeting, the Council is not able to read written public comments submitted into the record. All comments received will be provided to the Council.

Public Disclosure of Personal Information: Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we

cannot guarantee that we will be able to do so.

Authority: 5 U.S.C. ch. 10.

Wayne Pullan,

*Regional Director, Upper Colorado Basin—
Interior Region 7, Bureau of Reclamation.*

BILLING CODE 4332–90–P

INTERNATIONAL TRADE COMMISSION

[Investigation No. 337–TA–1424]

Certain Flash-Spun Nonwoven Materials and Products Containing Same; Notice of Commission Determination Not To Review an Initial Determination Granting Complainants' Unopposed Motion To Amend the Complaint and Notice of Investigation

AGENCY: U.S. International Trade
Commission.

ACTION: Notice.

SUMMARY: Notice is hereby given that the U.S. International Trade Commission has determined not to review an initial determination (“ID”) (Order No. 25) of the presiding administrative law judge (“ALJ”) issued in the above-captioned investigation granting complainants’ unopposed motion to amend the complaint and notice of investigation (“NOI”) to add allegations of trade secret misappropriation and wrongful use and exploitation of proprietary information against respondents Impak Corporation (“Impak”) and Jiangsu Tubo New Material Co., Ltd. (“Jiangsu Tubo”); add TOBO Group as a new respondent; update the addresses for Jiangsu Tubo and Hangzhou Several Sets of Electronic Commerce Co., Ltd. (“JGT Live”) to reflect where service was effected; and make certain non-substantive amendments to the complaint.

FOR FURTHER INFORMATION CONTACT: Richard P. Hadorn, Esq., Office of the General Counsel, U.S. International Trade Commission, 500 E Street SW, Washington, DC 20436, telephone (202) 205–3179. Copies of non-confidential documents filed in connection with this investigation may be viewed on the Commission’s electronic docket (EDIS) at <https://edis.usitc.gov>. For help accessing EDIS, please email EDIS3Help@usitc.gov. General information concerning the Commission may also be obtained by accessing its internet server at <https://www.usitc.gov>. Hearing-impaired persons are advised that information on this matter can be obtained by contacting the

Commission’s TDD terminal, telephone (202) 205–1810.

SUPPLEMENTARY INFORMATION: The Commission instituted this investigation on November 21, 2024, based on a complaint filed by DuPont de Nemours, Inc., DuPont Safety & Construction, Inc., and DuPont Specialty Products USA, LLC (collectively, “DuPont”), all of Wilmington, Delaware. 89 FR 92159–60 (Nov. 21, 2024). The complaint, as supplemented, alleges violations of section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337 (“section 337”), based on the importation into the United States, the sale for importation, and the sale within the United States after importation of certain flash-spun nonwoven materials and products containing the same by reason of (i) misappropriation of trade secrets and wrongful use and exploitation of stolen confidential and proprietary information, the threat or effect of which is to destroy or substantially injure an industry in the United States, and (ii) infringement of U.S. Trademark Registration Nos. 817,194; 818,688; 818,737; and 7,370,316. *Id.* at 92159. The complaint further alleges that a domestic industry exists. *Id.*

The NOI names 18 respondents: (1) Xiamen Dangs New-Materials Co., Ltd. AKA Dawnsens New Materials Co., Ltd. of Xiamen, Fujian, China; Beijing Dangsheng Technology Co., Ltd. of Beijing, Beijing, China; Xiamen Dangsheng Technology Co., Ltd. of Xiamen, Fujian, China (collectively, “Dangs”); (2) Kingwills New Material Technology Co., Ltd. of Nantong, Jiangsu, China; Zhejiang Qingyun New Material Co., Ltd. of Jiaxing, Zhejiang, China; Jiangsu Qingyun New Materials Co., Ltd. AKA Jiangsu Kingwills New Materials Co., Ltd. of Nantong, Jiangsu, China; Shanghai Qingyun New Material Technology Co., Ltd. of Shanghai, Shanghai, China; and Kingwills International Ltd. of Kowloon, Hong Kong, China (collectively, “Kingwills”); (3) Harbourpoint Innovations Inc. (“Harbourpoint”) of Raleigh, North Carolina; (4) Impak of Los Angeles, California; (5) Shenzhen Zhengming Science and Technology Co., Ltd. (“Shenzhen Zhengming”) of Huizhou, Guangdong, China; (6) Weifang Konzer Safety Protective Equipment Co., Ltd. of Anqiu, Shandong, China; (7) Jiangsu Tubo of Kunshan, Jiangsu, China; (8) Emedia Group, Inc. (“Emedia”) of Greenville, South Carolina; (9) endur-tec, LLC (“endur-tec”) of Anderson, South Carolina; (10) JGT Live of Yuhang, Hangzhou, China; (11) Hangzhou Qiao Shell Digital Technology Co., Ltd. of Yuhang,

Hangzhou, China; and (12) Zhenping County Weihe Commerce and Trade Co., Ltd. of Zhenping, Nanyang, China. *Id.* at 92159–60. The Office of Unfair Import Investigations (“OUII”) is also named as a party to this investigation. *Id.* at 92160.

On February 21, 2025, the Commission terminated the investigation as to Harbourpoint, Shenzhen Zhengming, Emedia, and endur-tec based on consent orders. Order Nos. 10 (Jan. 22, 2025) (as to Harbourpoint), 11 (Jan. 22, 2025) (as to Shenzhen Zhengming), 12 (Jan. 22, 2025) (as to Emedia and endur-tec), *unreviewed by Comm’n Notice* (Feb. 21, 2025).

On March 27, 2025, DuPont filed a motion for leave to amend the complaint and NOI. First, the motion seeks to add allegations of (i) trade secret misappropriation and (ii) wrongful use and exploitation of proprietary information against Impak and Jiangsu Tubo. Second, the motion seeks to add TOBO Group of Shanghai, China as a new respondent. Third, the motion seeks to update the addresses for Jiangsu Tubo and JGT Live to reflect where service was effected. Fourth, the motion seeks to make certain amendments to the complaint to reflect (i) “DuPont’s supplementation [to the complaint] on October 29, 2024 (submitting Ex. 92; referencing Ex. 92 in paragraph 7, correcting a few citations”), (ii) “minor typographical corrections to addresses of certain [r]espondents,” and (iii) “updating counsel of record.” On April 7, 2025, Kingwills filed a response stating that “[w]hile Kingwills disputes the merits of DuPont’s proposed allegations implicating Kingwills’ products, Kingwills does not oppose the proposed amendments.” That same day, OUII filed a response in support of the motion. No other responses to the motion were filed.

On April 22, 2025, the ALJ issued the subject ID (Order No. 25) granting the unopposed motion. The ID finds that, in accordance with Commission Rule 210.14(b) (19 CFR 210.14(b)), good cause exists for DuPont’s amendments to the complaint and NOI and that neither the parties nor the public interest will be prejudiced. The ID notes that the new allegations against Impak and Jiangsu Tubo and adding TOBO Group as a new respondent are based on facts that “were not available to DuPont until recently” and other “recently obtained evidence”; that updating the addresses for Jiangsu Tubo and JGT Live “will ensure a complete and accurate record”; and that DuPont’s remaining amendments to the complaint are non-
