

response rate in patients with chronic atrial fibrillation.

Because of the approval of NDA 20-405, digoxin tablets are now eligible for ANDA's under section 505 of the act. Therefore, by this notice, FDA is lifting the stay for submitting ANDA's for digoxin products for oral use.

This notice reaffirms FDA's previous determination that digoxin products for oral use are new drugs requiring approved applications for marketing. Because the new drug status of digoxin has already been established by notice-and-comment rulemaking, the agency is not providing a formal procedure for the submission of claims that a particular digoxin product for oral use is not subject to the new drug provision of the act. (Cf. 62 FR 43535, August 14, 1997 (oral levothyroxine sodium; determination of new drug status).)

### III. Conditions for Approval and Marketing

On September 30, 1997, FDA approved NDA 20-405 for Lanoxin Tablets (62.5, 125, 187.5, 250, 375, and 500 micrograms) held by Glaxo Wellcome Inc. for the indications listed above.

Approval of an NDA under section 505(b) of the act and § 314.50 (21 CFR 314.50) or an ANDA under section 505(j) of the act and § 314.94 (21 CFR 314.94) is required as a condition for marketing all digoxin products for oral use. Such an ANDA should use Glaxo's NDA 20-405 as the reference listed drug.

Elsewhere in this issue of the **Federal Register**, FDA is publishing a proposed rule to revoke § 310.500, thus eliminating the conditions for marketing digoxin products for oral use established by that regulation.

Inquiries regarding procedures for obtaining approval of NDA's should be directed to the Division of Cardio-Renal Drug Products (HFD-110), Center for Drug Evaluation and Research, Food and Drug Administration, 5600 Fishers Lane, Rockville, Maryland 20857, 301-594-5300.

Inquiries regarding procedures for obtaining approval of ANDA's should be directed to the Office of Generic Drugs (HFD-600), Center for Drug Evaluation and Research, Food and Drug Administration, 7500 Standish Pl., Rockville, Maryland 20855, 301-827-5845.

This notice is issued under the Federal Food, Drug, and Cosmetic Act (secs. 502, 505 (21 U.S.C. 352, 355)).

Dated: November 15, 2000.

## DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

[Docket No. FR-4557-N-47]

### Federal Property Suitable as Facilities To Assist the Homeless

**AGENCY:** Office of the Assistant Secretary for Community Planning and Development, HUD.

**ACTION:** Notice.

**SUMMARY:** This Notice identifies unutilized, underutilized, excess, and surplus Federal property reviewed by HUD for suitability for possible use to assist the homeless.

#### FOR FURTHER INFORMATION CONTACT:

Clifford Taffet, room 7266, Department of Housing and Urban Development, 451 Seventh Street SW, Washington, DC 20410; telephone (202) 708-1234; TTY number for the hearing- and speech-impaired (202) 708-2565 (these telephone numbers are not toll-free), or call the toll-free Title V information line at 1-800-927-7588.

#### SUPPLEMENTARY INFORMATION:

In accordance with 24 CFR part 581 and section 501 of the Stewart B. McKinney Homeless Assistance Act (42 U.S.C. 11411), as amended, HUD is publishing this Notice to identify Federal buildings and other real property that HUD has reviewed for suitability for use to assist the homeless. The properties were reviewed using information provided to HUD by Federal landholding agencies regarding unutilized and underutilized buildings and real property controlled by such agencies or by GSA regarding its inventory of excess or surplus Federal property. This Notice is also published in order to comply with the December 12, 1988 Court Order in *National Coalition for the Homeless v. Veterans Administration*, No. 88-2503-OG (D.D.C.).

Properties reviewed are listed in this Notice according to the following categories: Suitable/available, suitable/unavailable, suitable/to be excess, and unsuitable. The properties listed in the three suitable categories have been reviewed by the landholding agencies, and each agency has transmitted to HUD: (1) Its intention to make the property available for use to assist the homeless, (2) its intention to declare the property excess to the agency's needs, or

(3) a statement of the reasons that the property cannot be declared excess or made available for use as facilities to assist the homeless.

Properties listed as suitable/available will be available exclusively for homeless use for a period of 60 days from the date of this Notice. Homeless assistance providers interested in any such property should send a written expression of interest to HHS, addressed to Brian Rooney, Division of Property Management, Program Support Center, HHS, room 5B-41, 5600 Fishers Lane, Rockville, MD 20857; (301) 443-2265. (This is not a toll-free number.) HHS will mail to the interested provider an application packet, which will include instructions for completing the application. In order to maximize the opportunity to utilize a suitable property, providers should submit their written expressions of interest as soon as possible. For complete details concerning the processing of applications, the reader is encouraged to refer to the interim rule governing this program, 24 CFR part 581.

For properties listed as suitable/to be excess, that property may, if subsequently accepted as excess by GSA, be made available for use by the homeless in accordance with applicable law, subject to screening for other Federal use. At the appropriate time, HUD will publish the property in a Notice showing it as either suitable/available or suitable/unavailable.

For properties listed as suitable/unavailable, the landholding agency has decided that the property cannot be declared excess or made available for use to assist the homeless, and the property will not be available.

Properties listed as unsuitable will not be made available for any other purpose for 20 days from the date of this Notice. Homeless assistance providers interested in a review by HUD of the determination of unsuitability should call the toll free information line at 1-800-927-7588 for detailed instructions or write a letter to Clifford Taffet at the address listed at the beginning of this Notice. Included in the request for review should be the property address (including zip code), the date of publication in the **Federal Register**, the landholding agency, and the property number.

For more information regarding particular properties identified in this Notice (*i.e.*, acreage, floor plan, existing sanitary facilities, exact street address), providers should contact the appropriate landholding agencies at the following addresses: *Air Force*: Ms. Barbara Jenkins, Air Force Real Estate Agency (Area-MI), Bolling Air Force
