Agricultural Marketing Service

Title: Local Food Marketing Directories and Survey.

OMB Control Number: 0581-NEW.

Summary of Collection: The Marketing Services Division of USDA's Agricultural Marketing Service identifies marketing opportunities, provides analysis to help take advantage of those opportunities and develops and evaluates solutions including improving direct-to-customer marketing activities. Section 203(a) of the Agricultural Marketing Act of 1946, (7 U.S.C. 1621-1627), as amended, directs and authorizes the Secretary of Agriculture "to determine the needs and develop or assist in the development of plans for efficient facilities and methods of operating such facilities. In addition, the Farmer-to-Consumer Direct Marketing Act of 1976 supports USDA's work to enhance the effectiveness of direct marketing, such as the development of farmers markets, on-farm markets, CSA's and food hubs. On-farm markets, community supported agriculture (CSA) as well as food hubs comprise an integral part of the urban/farm linkage and have continued to rise in popularity, mostly due to the growing customer interest in obtaining fresh products directly from the farm.

Need and Use of the Information: On-farm markets, CSAs, and food hubs serve different parts of the food marketing chain, but all focus on the small-to-medium-sized agricultural producers. The survey will cover topics such as: characteristics and history of on-farm markets; CSAs and food hubs; types of products sold, including fresh, locally-grown farm products; location of the markets, special events, marketing methods, participation in federal

programs designed to increase consumption of fresh fruits and vegetables. The data collected will be used to build three web-based directories and describe the characteristics of each and identify trends in their communities.

Description of Respondents: Farm operators that operate on-farm stores, operators of Community Supported Agriculture (CSA's), farm operations, and operators of food hubs.

Number of Respondents: 56,750.

Frequency of Responses: Annually.

Total Burden Hours: 355.

Departmental Information Collection Clearance Officer.
