DEPARTMENT OF HEALTH AND HUMAN SERVICES

Privacy Act of 1974: Revision to Existing System of Records

AGENCY: Child Care Subsidy Program, Office of the Assistant Secretary for Administration and Management (ASAM), Office of the Secretary, HHS.

ACTION: Notice of revision to an existing system of records.

SUMMARY: In accordance with the requirements of the Privacy Act, the Department of Health and Human Services (HHS) is publishing a notice of the revision of an existing system of records, 09-90-0200, Child Care Subsidy Program. The revised system will collect family income data from employees in the National Institutes of Health, as well as the Health Resources and Services Administration, the Food and Drug Administration (FDA), the Program Support Center (PSC), the Office of the Secretary (OS), the Administration on Aging (AoA), the Centers for Disease Control and Prevention and Agency for Toxic Substances and Disease Registry (CDC/ATSDR) and the Substance Abuse and Mental Health Services Administration (SAMHSA) who are already covered by this system, for the purpose of determining their eligibility for child care subsidies, and the amounts of the subsidies. It also will collect information from the employees' child care provider(s) for verification purposes, *e.g.*, that the provider is licensed. Collection of data will be by subsidy application forms submitted by employees. HHS is also revising the name of the General Accounting Office (GAO) in Routine Use number 5 because the name of that office has changed to the Government Accountability Office.

DATES: This revision does not add new routine uses for this system. This amendment will be effective without further notice on the day of its publication unless comments are received which would result in a contrary determination.

FOR FURTHER INFORMATION CONTACT: Child Care Subsidy Program Administrator, Office of Human Resources, Office of the Assistant Secretary for Administration and Management, U.S. Department of Health and Human Services, Room 300-E, 200 Independence Ave., SW., Washington, DC 20201. The telephone number is 202-690-6191.

SUPPLEMENTARY INFORMATION: The current Notice of System of Records covered only employees of OS, AoA, HRSA, SAMHSA, FDA, CDC/ATSDR and the PSC. Since that time, NIH has established a child care subsidy program for its employees. This amendment expands coverage of the Child Care Subsidy Program Records to include employees in NIH who are eligible for this program. The notice is published below in its entirety, as amended. HHS is also revising the name of the General Accounting Office in Routine Use number 5 because the name

of that office has changed to the Government Accountability Office.
