Authorized applicants must represent interested parties, as defined by 19 U.S.C. 1677(9), who are parties to the investigations. A party granted access to BPI in the preliminary phase of the investigations need not reapply for such access. A separate service list will be maintained by the Secretary for those parties authorized to receive BPI under the APO.

**Staff report.**—The prehearing staff report in the final phase of these investigations will be placed in the nonpublic record on June 25, 2008, and a public version will be issued thereafter, pursuant to section 207.22 of the Commission's rules.

Parties may also file written testimony in connection with their presentation at the hearing, as provided in section 207.24 of the Commission's rules, and posthearing briefs, which must conform with the provisions of section 207.25 of the Commission's rules. The deadline for filing posthearing briefs is July 17, 2008; witness testimony must be filed no later than three days before the hearing. In addition, any person who has not entered an appearance as a party to the investigations may submit a written statement of information pertinent to the subject of the investigations, including statements of support or opposition to the petition, on or before July 17, 2008. On August 5, 2008, the Commission will make available to parties all information on which they have not had an opportunity to comment. Parties may submit final comments on this information on or before August 7, 2008, but such final comments must not contain new factual information and must otherwise comply with section 207.30 of the Commission's rules. This Consent Decree will resolve claims asserted by the United States against Sun State for injunctive relief and civil penalties based on violations of Maricopa County dust control regulations incorporated in the Arizona State Implementation Plan under the Clean Air Act ("the Act").
