Title: Financial Disclosure Form.

OMB number: 3095-0058.

Agency form number: Standard Form 714.

Type of review: Regular.

Affected public: Business or other for-profit.

Estimated number of respondents: 25,897.

Estimated time per response: 2 hours.

Abstract: Executive Order 12958 as amended, "Classified National Security Information" authorizes the Information Security Oversight Office to develop standard forms that promote the implementation of the Government's security classification program. These forms promote consistency and uniformity in the protection of classified information.

The Financial Disclosure Form contains information that is used to make personnel security determinations, including whether to grant a security clearance; to allow access to classified information, sensitive areas, and equipment; or to permit assignment to sensitive national security positions. The data may later be used as a part of a review process to evaluate continued eligibility for access to classified information or as evidence in legal proceedings.

The Financial Disclosure Form helps law enforcement obtain pertinent information in the preliminary stages of potential espionage and counter terrorism cases.

Dated: December 2, 2004.
