

compensated for the fair market value of the land. The use of the land for an entry control facility represents a compatible land use that will not interfere with the airport or its operation, thereby protecting the interests of civil aviation.

DATES: Comments must be received on or before September 15, 2025.

FOR FURTHER INFORMATION CONTACT: Mr. Kyler Erhard, Acting Manager, Phoenix Airports District Office, Federal Aviation Administration, 3800 N Central Avenue, Suite 1025, Phoenix, AZ 85012; telephone 602-792-1073.

ADDRESSES: Send comments to Mr. Erhard at the address above, and send one copy to Mr. Tony Bianchi, Director, Planning & Environmental Services, Tucson Airport Authority, 7250 S Tucson Boulevard, Suite 300, Tucson, AZ 85756.

SUPPLEMENTARY INFORMATION: Under 49 U.S.C. 47107(h) and the Wendell H. Ford Aviation Investment and Reform Act for the 21st Century (AIR 21), Public Law 106-181 (Apr. 5, 2000; 114 Stat. 61), the FAA must publish this notice 30 days before waiving any grant condition imposed by surplus-property conveyance deeds or grant agreements. The Tucson Airport Authority (TAA) has requested release of roughly 8 acres at TUS to allow sale to the Arizona Air National Guard for an entry control facility reconfiguration. TAA will be compensated at fair-market value. An Environmental Assessment was completed, and a Finding of No Significant Impact was signed April 1, 2020. The proposed use is compatible with airport operations and development and serves the interests of civil aviation by enhancing public safety.

Issued in El Segundo, California.

[Docket No. MARAD-2025-0400]

Request for Comments on the Renewal of a Previously Approved Collection: Application for Participation in the Maritime Security Program

AGENCY: Maritime Administration, DOT.

ACTION: Notice.

SUMMARY: The Maritime Administration (MARAD) invites public comments on its intention to request Office of Management and Budget (OMB) approval to renew an information collection in accordance with the Paperwork Reduction Act of 1995. The proposed collection OMB 2133-0525 (Application for Participation in the Maritime Security Program) is used to determine: the best qualified applicants for inclusion in the Maritime Security Program (MSP) during open solicitations, and continued qualification for inclusion in MSP by existing participants based on their financial statements. Proposed changes include instructions for electronic submission of applications, updates to statutory citations, removal of commercial references that are no longer relevant to MSP, and changes to certain collected information that better reflects current maritime business practice. MARAD is required to publish this notice in the **Federal Register** to obtain comments from the public and affected agencies.

ADDRESSES: Written comments and recommendations for the proposed information collections should be sent within 30 days of publication of this notice to www.reginfo.gov/public/do/PRAMain. Find this information collection by selecting "Currently under 30-day Review—Open for Public Comments" or by using the search function.
