[Docket 46-2007]

Request for Comments on Uniform Treatment (and Related Issues) in Local Access to Foreign-Trade Zone Procedures—Extension of Comment Period

On September 21, 2007, the Foreign-Trade Zones (FTZ) Board published in the **Federal Register** a notice to "gather information and various parties' views related to potential conflicts of interest in local access to FTZ procedures, including regarding practices that parties believe may be inconsistent with the FTZ Act or the FTZ Board's regulations" (72 FR 53989-53990, 9/21/2007). Based on a request from the National Association of Foreign-Trade Zones, the specific period for submission of comments is being extended. Therefore, while interested parties are always encouraged to provide comments on the operation of the FTZ program, we are requesting comments on this matter by January 31, 2008 (extended from the original date of November 30, 2007), so that the Board may proceed with its examination. Questions relating to the submission of comments should be directed to Pierre Duy or Andrew McGilvray at (202) 482-2862.

Dated: October 29, 2007.

Brake Rotors from the People's Republic of China: Extension of Final Results of Expedited Sunset Review of Antidumping Duty Order

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: November 5, 2007.

FOR FURTHER INFORMATION CONTACT: Frances Veith, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street & Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482-4295.

SUPPLEMENTAL INFORMATION: On July 2, 2007, the Department of Commerce ("the Department") initiated a sunset review of the antidumping duty order on brake rotors from the People's Republic of China ("PRC") pursuant to section 751(c) of the Tariff Act of 1930, as amended ("the Act"). *See* Initiation of Five-year ("Sunset") Reviews, 72 FR 35968 (July 2, 2007) ("Initiation Notice"). Based on adequate responses from the domestic interested party and an inadequate response from respondent interested parties, the Department is conducting an expedited sunset review to determine whether revocation of the antidumping order would lead to the continuation or recurrence of dumping, pursuant to section 751(c)(3)(B) of the Act and section 351.218(e)(1)(ii)(C)(2) of the Department's regulations. *See* Memorandum to the International Trade Commission regarding, "Expedited Sunset Review of the AD/CVD Order Initiated in July 2007," dated August 21, 2007.

Extension of Time Limits for Final Results

In accordance with section 751(c)(5)(B) of the Act, the Department may extend the period of time for making its determination by not more than 90 days, if it determines that a review is extraordinarily complicated. As set forth in section 751(c)(5)(C)(i) of the Act, the Department may treat a sunset review as extraordinarily complicated if there are a large number of issues, as is the case in this proceeding. In particular, this sunset review involves complicated issues pertaining to adequacy of responses, related party status, and interested party status. Therefore, the Department has determined, pursuant to section 751(c)(5)(C)(i) of the Act, that the

second sunset review of brake rotors from the PRC is extraordinarily complicated, as the Department must consider numerous arguments presented in the domestic interested party's and a domestic importer's August 1, 2007, substantive response and each parties' August 6, 2007, rebuttals to the substantive responses. Based on the timing of the case, the final results of this expedited sunset review cannot be completed within the statutory time limit of 120 days. Accordingly, the Department is extending the time limit for the completion of the final results by 30 days from the original October 30, 2007, deadline, to November 29, 2007, in accordance with section 751(c)(5)(B) of the Act. This notice is published pursuant to sections 751(a)(2)(B)(iv) and 777(i)(1) of the Act.

Dated: October 30, 2007.

Stephen J. Claeys,
Deputy Assistant Secretary for Import Administration.
