National Oil and Hazardous Substances Pollution Contingency Plan National Priorities List**AGENCY:** Environmental Protection Agency (EPA).**ACTION:** Notice of deletion of Newsom Brothers Superfund Site from the National Priorities List (NPL).

SUMMARY: EPA Region 4 (EPA) announces the deletion of the Newsom Brothers Superfund Site from the NPL. The NPL constitutes appendix B of 40 CFR part 300 which is the National Oil and Hazardous Substances Pollution Contingency Plan (NCP), which EPA promulgated pursuant to section 105 of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980 (CERCLA). EPA and the State of Mississippi (State) have determined that all appropriate CERCLA actions have been implemented and that no further cleanup by responsible parties is appropriate under CERCLA. Moreover, EPA and the State have determined that remedial activities conducted at the site to date have been protective of public health, welfare, and the environment.

EFFECTIVE DATE: September 27, 2000.

ADDRESSES: Comprehensive information on this Site is available through the EPA Region 4 public docket, which is located at the Region 4 office and is available for viewing by appointment only from 9 a.m. to 4 p.m., Monday through Friday, excluding holidays. SUPPLEMENTARY INFORMATION: EPA announces the deletion of the Newsom Brothers Superfund Site, Columbia, Mississippi, from the National Priorities List (NPL), which is appendix B of the National Oil and Hazardous Substances Pollution Contingency Plan (NCP). EPA identifies sites that appear to present a significant risk to public health, welfare, or the environment and it maintains the NPL as the list of those sites. Sites on the NPL may be the subject of remedial actions financed by the Hazardous Substances Superfund Response Trust Fund (Fund). Pursuant to 42 U.S.C. 9605 (40 CFR 300.425(e)(3) of the NCP), any site deleted from the NPL remains eligible for Fund-financed remedial actions in the unlikely event that conditions at the site warrant such action in the future.

EPA published a Notice of Intent to Delete the Newsom Brothers Site from the NPL on August 2, 2000 in the **Federal Register** (65 FR 47364-47366). The closing date for comments on the Notice of Intent to Delete was September 1, 2000. EPA received one comment and the responsiveness summary is attached to this Notice of Deletion. Deletion of a site from the NPL does not affect responsible party liability or impede agency efforts to recover costs associated with response efforts.

The Congressional Review Act, 5 U.S.C. 801 *et seq.*, as added by the Small Business Regulatory Enforcement Fairness Act of 1996, does not apply because this action is not a rule, as that term is defined in 5 U.S.C. 804(3).
