VA anticipates the grants will be for a period of 2 years, starting in fiscal year (FY) 2026 on October 1, 2025, and ending on September 30, 2027. VA anticipates awarding approximately 84 grants, with the maximum award of \$500,000 per grantee for the 2-year period. DATES: Applications for legal services grants under the LSV-H Grant Program must be received by the Legal Services for Veterans (LSV) Program Office by 4 p.m. Eastern Standard Time (EST) on July 7, 2025. In the interest of fairness to all eligible applicants, as described in this NOFO, this deadline is firm as to date and hour, and VA will treat any application that is received after the deadline as ineligible for consideration. Applicants should take this practice into account and make early submissions of their materials to avoid any risk of loss of eligibility brought about by unanticipated delays, computer service outages, or other submission-related problems.

ADDRESSES: Information about the application can be downloaded from the LSV website at www.va.gov/homeless/lsv.asp. Questions may be referred to the

LSV Grant Program Office via email at LSVGrants@va.gov. For detailed LSV-H Grant Program information and requirements, see 38 CFR part 79.

Application Submission: Applicants must submit applications electronically following instructions found at www.va.gov/homeless/lsv.asp.

Applications may not be submitted in any other way. Applications must be received by the LSV Grant Program Office by 4 p.m. EST on the application deadline date. Applications must arrive as a complete package. Materials arriving separately will not be included in the application package for consideration and may result in the application being rejected or not funded. In the event of certain errors, such as duplicate applications or multiple applications per Employer Identification Number, per state or territory, VA reserves the right to select which application to consider.

Technical Assistance: Information regarding how to obtain technical assistance with preparing a legal service grant application is available on the LSV Program website at www.va.gov/homeless/lsv.asp.

Funding Opportunity Description

Purpose

Ending and preventing homelessness among Veterans is a priority for VA. VA's Homeless Programs constitute the Nation's largest integrated network of homeless treatment and assistance services for Veterans. The LSV-H Grant Program's purpose is to award legal services grants to eligible public or non-profit private entities who will provide legal services to eligible Veterans who are homeless or at risk for homelessness.

Background

This NOFO will provide awards designed to address the needs identified in 38 CFR 79.20, including legal services related to housing; family law; income support; criminal defense; protective orders and other matters related to domestic or intimate partner violence; access to health care; requests to upgrade military discharge or dismissal (only pursuant to 10 U.S.C. 1553); consumer law, such as financial services, debt collection, garnishments, usury, fraud, and financial exploitation; employment law; and the top 10 unmet legal needs as enumerated on VA's annual CHALENG survey for the grant award cycle. CHALENG survey results can be found at <https://www.va.gov/homeless/challeng.asp>. Funds provided through this NOFO must not duplicate or replace funds provided from any Federal, state, or local government agency or program to assist homeless Veterans.

Definitions

The regulation at 38 CFR 79.5 contains definitions of terms used in the LSV-H Grant Program.

Approach

The goal of the LSV-H Grant Program is to assist Veterans who are homeless or at risk for homelessness who have unaddressed needs for legal services, which may create barriers to housing stability. Services provided to Veterans under this NOFO are designed to help Veterans increase housing stability by providing legal services, including eviction defense, that will help Veterans avoid homelessness or help them return to permanent housing in the community.

Authority

Funding available under this NOFO is authorized by 38 U.S.C. 2022A. VA

implements the LSV-H Grant Program through regulations in 38 CFR part 79. Funds made available under this NOFO are subject to the requirements of these regulations.

Guidance for the Use of Funds

As noted above, the LSV-H Grant Program's purpose is to provide legal services grants to public or non-profit private entities that will directly provide legal services to eligible Veterans who are homeless or at risk for homelessness. The LSV-H Grant is not a Case Management Grant nor a Transitional Housing Grant. The applicant's request for funding must be consistent with the limitation and uses of legal services grant funds outlined in 38 CFR part 79 and this NOFO. Per the regulations and this NOFO, the following requirements apply to legal services grants awarded under this NOFO:

(1) Indirect costs, as described in 2 CFR 200.412 through 200.415, are allowable if supported by a Federally Negotiated Indirect Cost Rate Agreement or if supported by a certification of de minimis indirect cost rate of modified total direct costs as described in 2 CFR 200.414(f).

(2) Grantees are expected to provide legal services relevant to issues that interfere with the participant's ability to obtain or retain permanent housing. (Note: Specific details of the legal services provided may be protected from being released to the grantee from a subrecipient or VA under attorney-client privilege, however the grantee must provide sufficient information to demonstrate the eligibility of the Veteran client as well as the frequency and type of legal services delivered.)

(3) Grantees are expected to use at least 10% of grant funds to provide legal services to women Veterans.

Award Information

Allocation of Funds

Under this NOFO, approximately \$42 million is available for LSV-H grants. VA expects to award approximately 84 grants, depending on factors such as funding availability. All grants will be new, initial awards. Renewal funding is not available under this NOFO.

Awards provided under this NOFO are expected to be for 2 years starting on October 1, 2025. Awards are dependent upon factors such as funding availability, the recipient meeting the performance goals established in the grant agreement, utilization of services, statutory and regulatory requirements, and the results of the VA inspection. All awardees must be able to start providing

allowable legal services to eligible Veterans as soon as possible after award, and no later than 45 days from the award date.

The LSV-H Grant Program aims to provide grant funding up to a maximum of \$250,000 per year, for 2 years, to eligible applicants. The funding amount and number of awards will be determined based on the number of applications received by VA. Funding will only be awarded to applicants who demonstrate sufficient capacity to provide legal services to homeless Veterans or Veterans at risk for homelessness.

Grants governed by this NOFO are expected to begin October 1, 2025. Future renewal funding is dependent on such factors as need, geographical dispersion, funding availability, the recipient meeting performance goals, and statutory and regulatory requirements, as well as results of VA performance measurement and monitoring.

If VA determines that grantee spending is not meeting the minimum percentage milestones identified below, VA may elect to recoup projected unused funds and reallocate funds among other grantees who are able to fully use the funds to provide legal services during the grant period. Should VA elect to recoup unspent funds, reductions in available grant funds would take effect during the subsequent quarter. VA may elect to recoup funds in the following circumstances:

(1) The grantee's requests to VA for grant funds are less than 10% of the yearly budgeted grant award by the end of the first quarter of the grant cycle.

(2) The grantee's requests to VA for grant funds are less than 30% of the yearly budgeted grant award by the end of the second quarter of the grant cycle.

(3) The grantee's requests to VA for grant funds are less than 55% of the yearly budgeted grant award by the end of the third quarter of the grant cycle.

If additional funds become available from funds recouped under the Award Information section of this NOFO, funds that are voluntarily returned by grantees, funds that become available due to a grant termination, or other funds that are still available for grant awards, VA may elect to offer these funds to other grantees. Additional funds may be provided to grantees who are in compliance with their grant agreement and have the capacity to use the additional funds, with priority given in descending order based on grantees' original application's ranking/score, as determined by VA.

Funding Priorities

* *Priority 1:* VA will place in the first funding priority those applications from organizations that have demonstrated the ability to directly provide *four or more* of the allowable legal services covered under the LSV-H Grant Program (38 CFR 79.20) to eligible Veterans. Applicants are required to describe how they plan to directly provide four or more of the allowable legal services, by using existing or future personnel of the applicant. Priority 1 applicants will not deliver the allowable legal services through a subrecipient. Applicants that meet Priority 1 are expected to demonstrate how those legal services are administered through the applicant's existing or future personnel that meet the licensure and qualifications to practice law within the given jurisdiction.

* *Priority 2:* VA will place in the second funding priority those applications from organizations that are equitably distributed across geographic regions not represented in Priority 1, including (i) areas not being served by existing LSV-H awards, or (ii) rural communities.

* *Priority 3:* VA will place in the third funding priority those applications from organizations with a demonstrated focus on providing legal services to women Veterans.

Applications will be ranked in score order within the funding priority.

Funding Restrictions

Applicants may not receive funding to replace funds provided by any other Federal, state, or local government agency or program to assist homeless Veterans. VA will not fund projects or activities deemed outside the scope of those enumerated in 38 CFR 79.20 and this NOFO.

Per 38 CFR 79.40, in an effort to ensure that legal services grants are equitably distributed across geographic regions, an applicant may not receive LSV-H grant funding as both a direct recipient and as a subrecipient of LSV-H funds.

Additionally, VA will not award grants to organizations that would operate as a central prime awardee.

Award Period

Grants awarded will begin October 1, 2025, and end on September 30, 2027.

Section VIII Criteria for Threshold Review

Submission of an incorrect, incomplete, inconsistent, unclear, or incorrectly formatted application package may result in the application being rejected and not considered for award. Only applications that meet threshold requirements in 38 CFR 79.30 will be scored consistent with criteria in 38 CFR 79.35.

Review and Selection Process

Applications will be ranked in score order by funding priority as described in this NOFO Award Information, Funding Priorities, and 38 CFR 79.40. VA will rank those applicants who score at least 60 cumulative points and receive at least one point under each of the following categories: (a) Background, Qualifications, Experience, and Past Performance of Applicant and Any Identified Subrecipient; (b) Program Concept and Legal Services Plan; (c) Quality Assurance and Evaluation Plan; (d) Financial Capability and Plan; and (e) Area Linkages and Relations. The applicants will be ranked in order from highest to lowest.

Application Selection

VA will only score applications that meet the following threshold requirements in 38 CFR 79.30: the application, and any additional information or documentation requested by VA under 38 CFR 79.25(c), is filed within the time period established in the NOFO; the application is completed in all parts; the activities for which the legal services grant is requested are eligible for funding under 38 CFR part 79; the applicant's proposed participants are eligible to receive legal services under 38 CFR part 79; the applicant agrees to comply with the requirements of 38 CFR part 79; the applicant does not have an outstanding obligation to the Federal Government that is in arrears and does not have an overdue or unsatisfactory response to an audit; and the applicant is not in default by failing to meet the requirements for any previous Federal assistance.

Applications that meet threshold will be scored. Applications will be assigned to the highest priority group for which they are eligible. Applications will be ranked in score order by funding priority as described in this NOFO Award Information, Funding Priorities, and 38 CFR 79.40. Applications in

Priority 1 that receive the minimum score to be eligible for selection will be considered in score order before applications in Priority 2 are considered, and so forth.

VA will use an application's rank as the primary basis for selection for funding, however VA will also use the considerations listed in 38 CFR 79.40(d) to select applicants for funding. For example, pursuant to 38 CFR 79.40(d)(1), reviewers will give preference to applications that demonstrate an ability to directly provide legal services to eligible individuals.

Review and selection process may be found at 38 CFR 79.40. In case of a discrepancy between information provided by the applicant and other information available to VA, VA reserves the right to make funding decisions based on all available information or to not select an application. Additional selections may be considered, at VA's discretion, until available funding is exhausted.

Depending on factors such as the quantity and quality of applications received and the availability of funding, VA reserves the right to make additional rounds of conditional selections from this NOFO to the eligible pool of applicants, or to take other actions as appropriate. VA reserves the right to negotiate with applicants, as needed, to accomplish the overall goals and objective.

Consistent with 2 CFR 200.206(b), VA evaluates risk posed by applicants at any time pre-award or post-award. Special conditions, adjustments, or remedies corresponding to the degree of risk may be applied to an award (2 CFR 200.206, 200.208, 200.339). Risk evaluations may include but are not limited to an evaluation of the applicant's eligibility, the quality of its application, the needs of the community, the organization's financial stability, management systems and standards, the history of performance, the status of Single Audit reports, an ability to effectively implement requirements, the status of any VA or other Federal debt, and the findings of any VA fiscal reviews.

Tie Score

In the event of a tie score between applications, VA will determine at its discretion how to handle selection decisions (for example, selecting multiple applications for award or awarding for less than requested). VA will consider the intent of this NOFO to fund legal services to assist vulnerable Veterans in retaining their permanent

housing. VA's discretionary funding decisions are final.

Funding Actions

VA will provide funding to all eligible applicants in the Priority Group score order described in this NOFO until funding is exhausted. Funding is not guaranteed. Before awarding a grant agreement, VA reserves the right to make adjustments (for example, to funding levels) as needed within the intent of this NOFO based on a variety of factors, including the quantity and quality of applications, geographic dispersion, as well as the availability of funding.

VA will consider any information that comes to its attention, including information in the designated integrity and performance system, in making a judgment about the applicant's integrity, business ethics, and performance under Federal awards. VA may not make a Federal award to an applicant if the applicant has not complied with all applicable UEI and SAM.gov requirements. Applicants may refer to 2 CFR part 25 and SAM.gov for more information.

If an applicant has not fully complied by the time the Federal awarding agency is ready to make a Federal award, the Federal awarding agency may determine that the applicant is not qualified to receive a Federal award and use that determination as a basis for making a Federal award to another applicant. VA may elect to award additional applications based on the availability of funds and quality of applications. Upon signature of the grant agreement by the Secretary, or designated representative, final selection will be completed, and the grant funds will be obligated for the funding period.

Award Administration Information

Award Notices

Although subject to change, the LSV Grant Program expects to announce grant awards on or around August 1, 2025. VA reserves the right to make adjustments (for example, to funding levels), as needed, within the intent of the NOFO based on a variety of factors, including the availability of funding. The initial announcement will be made through a news release posted on the VA's LSV website at www.va.gov/homeless/lsv.asp.

The LSV Grant Program will notify successful and unsuccessful applicants. Only a grant agreement with a VA signature is evidence of an award and is an authorizing document obligating funds and allowing costs to be incurred against a grant award. Other notices,

letters, or announcements are not authorizing documents. The grant agreement includes the terms and conditions of the award and must be signed by the entity and VA to be legally binding.

Administrative and National Policy Requirements

VA places great emphasis on responsibility and accountability. VA has procedures in place to monitor grants provided under the LSV Grant Program. All applicants selected in response to this NOFO must agree to meet applicable inspection standards outlined in the grant agreement.

Grantees are responsible for complying with all requirements of the Federal award including, but not limited to, complying with all applicable Federal law. Federal awards must also comply with the provisions of the Federal Funding Accountability and Transparency Act, which includes requirements on executive compensation, and other requirements found at 2 CFR parts 25 and 170. Grantees and their employees also are subject to the whistleblower rights and remedies established in 41 U.S.C. 4712.

Executive Order 12372, Intergovernmental Review of Federal Programs, was issued to foster the intergovernmental partnership and strengthen federalism by relying on state and local processes for the coordination and review of proposed Federal financial assistance and direct Federal development. Generally, LSV-H grants are not subject to E.O. 12372. To learn about your state's process, see <https://www.whitehouse.gov/wp-content/uploads/2023/06/SPOC-list-as-of-2023.pdf>.

Payment of Grant Funds

Grantees will receive payments electronically through the Department of Health and Human Services (HHS) Payment Management System. Advance payments are not provided to LSV grantees. Payments must be limited to the minimum amounts needed and be timed in accordance with the actual and immediate cash requirements of the grantee in carrying out the purpose of the approved project. The timing and amount of payments must be as close as is administratively feasible to the actual disbursements by the grantee for direct costs and the proportionate share of any allowable indirect costs. Typically, "immediate" means within 3 business days, as articulated by HHS Program Support Center Financial Management System: <https://pms.psc.gov/grant-recipients/funding-request-formula.html>. Grantees will have the

ability to request payments as frequently as they choose subject to the following limitations:

(1) During the first quarter of the grantee's legal services annualized grant award period, the grantee's cumulative requests for legal services grant funds may not exceed 35% of the total legal services grant award without written approval by VA.

(2) By the end of the second quarter of the grantee's legal services annualized grant award period, the grantee's cumulative requests for legal services grant funds may not exceed 60% of the total legal services grant award without written approval by VA.

(3) By the end of the third quarter of the grantee's legal services annualized grant award period, the grantee's cumulative requests for legal services grant funds may not exceed 80% of the total legal services grant award without written approval by VA.

(4) By the end of the fourth quarter of the grantee's annualized legal services grant award period, the grantee's cumulative requests for legal services grant funds may not exceed 100% of the total legal services grant award.

Reporting and Monitoring

VA places great emphasis on the responsibility and accountability of grantees. As described in 38 CFR 79.95, VA has procedures to monitor legal services provided to participants and outcomes associated with the legal services provided under the LSV Grant

Program. Applicants should be aware of the following:

(1) Grantees will be required to track data that will consist of information on the participants served and the types of legal services provided by grantees and subsequent outcomes. Information regarding legal services provided may be protected from being released to VA under attorney-client privilege, however the grantee must provide sufficient information to demonstrate the frequency and type of services delivered to meet performance measurement outcomes, as defined in 2 CFR 200.301.

(2) VA will complete annual monitoring evaluations of each grantee. Monitoring also will include the submission of quarterly and yearly performance and financial reports by the grantee in accordance with 2 CFR part 200. The grantee will be expected to demonstrate adherence to the grantee's proposed program concept, as described in the grantee's application. All grantees are also subject to audits conducted by VA or its representative.

(3) Grantees will be assessed based on their ability to meet critical reporting requirements that are defined by the regulations.

Program Evaluation

The purpose of program evaluation is to evaluate the program's success.

(1) Grantees will participate in VA's national project monitoring and evaluation to determine successful outcomes. Each grantee's performance

will be measured against established performance targets.

(2) Grantees who do not meet the performance measures or who otherwise perform or appear to perform less than satisfactorily may be subject to additional conditions of award. Additional conditions may include, but are not limited to, increased reporting or monitoring, reductions, withholding, suspension, termination, or other remedies for non-compliance at VA's discretion.

(3) VA reserves the right to add, remove, or change at any time prior to or during the award period the performance measures, targets, services, caseload requirements, grant payment amounts, payment schedule, or other grant requirements.

(4) VA's overall performance for all grants funded from this NOFO will be measured against the same criteria and targets used for each grant.
