Dayton Power & Light Co., et al.*, No. C-3-98-451, was lodged with the United States District Court for the Southern District of Ohio. The consent decree represents a settlement of claims against Robert B. Snyder and the Robert L. thirty (30) days of entry of the consent decree. In consideration for this payment, the Settling Defendants will receive a covenant not to sue for Site response costs and contribution protection. The settlement is based on the Settling Defendants' limited ability to pay.
