

B. Industry Competency Models

ETA supports an Industry Competency Model Initiative to promote an understanding of the skill sets and competencies that are essential to an educated and skilled workforce. A competency model is a collection of competencies that taken together define successful performance in a particular work setting. Competency models serve as a starting point for the design and implementation of workforce and talent development programs. To learn about the industry-validated models visit the Competency Model Clearinghouse (CMC) at <http://www.careeronestop.org/CompetencyModel>. The CMC site also provides tools to build or customize industry models, as well as tools to build career ladders and/or career lattices.

C. Federal Collaboration

DOL encourages other Federal partners to recommend or require, where appropriate, that organizations receiving Recovery Act funding list jobs created with their State public labor exchange. The Department is developing specific strategies to link job listings, training opportunities and placement among programs funded by Departments of Housing and Urban Development, Energy, and Education. Where the grantee is not the public workforce system, they are strongly encouraged to work with the local One Stop Career Centers to make these connections.

D. Links to Federal Recovery Sites

For specific information on a range of Federal agency Recovery Act activities and funding opportunities, please access the following Web sites:

- Department of Education: <http://www.ed.gov/policy/gen/leg/recovery/index.html>.
- Department of Energy: <http://www.doe.gov/recovery>.

E. Promising Training Approaches

ETA encourages applicants to research promising training approaches in order to inform their proposals. The following list of Web sites provides a starting place for this research, but by no means should be considered a complete list:

- ETA's home site (<http://www.doleta.gov>) and the ETA Research

Publication Database (wdr.doleta.gov/research/keyword.cfm)

- ETA's knowledge sharing site (<http://www.workforce30ne.org>), including the "workforce solutions" section that contains over 6,000 additional resources applicants may find valuable in developing workforce strategies and solutions
- The National Governors Association Center for Best Practices (<http://www.nga.org>)
- The National Association of State Workforce Agencies (<http://www.workforceatm.org>)
- The National Association of Workforce Boards (<http://www.nawb.org>)

IX. Other Information

OMB Information Collection No. 1225-0086.

Expires September 30, 2009.

According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless such collection displays a valid OMB control number. Public reporting burden for this collection of information is estimated to average 20 hours per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding the burden estimated or any other aspect of this collection of information, including suggestions for reducing this burden, to the OMB Desk Officer for ETA, Department of Labor, in the Office of Management and Budget, Room 10235, Washington, DC 20503. Please do not return the completed application to the OMB. Send it to the sponsoring agency as specified in this solicitation.

This information is being collected for the purpose of awarding a grant. The information collected through this SGA will be used by DOL to ensure that grants are awarded to the applicant best suited to perform the functions of the grant. Submission of this information is required in order for the applicant to be considered for award of this grant. Unless otherwise specifically noted in this announcement, information submitted in the respondent's application is not considered to be confidential.

Signed at Washington, DC, this 19th day of June, 2009.

B. Jai Johnson,

Grant Officer, Employment and Training Administration.
