

application with the Department of Justice (DOJ) to request that DOJ pay the costs of the carrier's CALEA compliance (cost-shifting relief) with respect to any equipment, facility or service installed or deployed after January 1, 1995. The Second Report and Order required several different collections of information: (a) Within 90 days of the effective date of the Second Report and Order, facilities based broadband Internet access and interconnected Voice over Interconnected Protocol (VoIP) providers newly identified in the First Report and Order in this proceeding were required to file system security statements under the Commission's rules (system security statements are currently approved under the existing OMB 3060-0809 information collection). (b) All telecommunications carriers, including broadband Internet access and interconnected VoIP providers, must file updates to their systems security statements on file with the Commission as their information changes. (c) Petitions filed under section 107(c), request for additional time to comply with CALEA; these provisions apply to all carriers subject to CALEA and are voluntary filings. (d) Section 109(b), request for reimbursement of CALEA; these provisions apply to all carriers subject to CALEA and are necessary for carriers seeking relief under this section of the CALEA statute.
