

Initiation of New Shipper Reviews

Pursuant to section 751(a)(2)(B) of the Act and 19 CFR 351.214(d)(1), we find that Hanson meets the threshold requirements for initiation of an NSR for the shipment of diamond sawblades from the PRC produced and exported by Hanson. See "Memorandum to The File from Ricardo Martinez, Case Analyst, Initiation of AD New Shipper Review: Certain Diamond Sawblades and Parts Thereof from the People's Republic of China (A-570-900)," dated concurrently with this notice.

The Department intends to issue the preliminary results of this NSR no later than 180 days from the date of initiation, and the final results no later than 270 days from the date of initiation. See section 751(a)(2)(B)(iv) of the Act.

It is the Department's usual practice, in cases involving non-market economies, to require that a company seeking to establish eligibility for an antidumping duty rate separate from the country-wide rate provide evidence of *de jure* and *de facto* absence of government control over the company's export activities. Accordingly, we will issue questionnaires to Hanson, which will include a section requesting information with regard to Hanson's export activities for separate rates purposes. The review will proceed if the response provides sufficient indication that Hanson is not subject to either *de jure* or *de facto* government control with respect to its exports of subject merchandise.

We will instruct U.S. Customs and Border Protection to allow, at the option of the importer, the posting, until the completion of the review, of a bond or security in lieu of a cash deposit for each entry of the subject merchandise from Hanson in accordance with section 751(a)(2)(B)(iii) of the Act and 19 CFR 351.214(e). Because Hanson certified that it both produced and exported the subject merchandise, the sale of which is the basis for this NSR request, we will apply the bonding privilege to Hanson only for subject merchandise which Hanson both produced and exported.

Interested parties requiring access to proprietary information in this NSR should submit applications for disclosure under administrative protective order in accordance with 19 CFR 351.305 and 351.306. This initiation and notice are in accordance with section 751(a)(2)(B) of the Act and 19 CFR 351.214 and 351.221(c)(1)(i).

Dated: December 30, 2010.

Edward C. Yang,

Acting Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.
