FEDERAL DEPOSIT INSURANCE CORPORATION

Agency Information Collection Activities: Proposed Collection; Comment Request

AGENCY: Federal Deposit Insurance Corporation (FDIC).

ACTION: Notice and request for comment.

SUMMARY: The FDIC, as part of its continuing effort to reduce paperwork and respondent burden, invites the general public and other Federal agencies to take this opportunity to comment on proposed and/or continuing information collections, as required by the Paperwork Reduction Act of 1995 (44 U.S.C. chapter 35). Currently, the FDIC is soliciting comments concerning an information collection titled "Management Official Interlocks."

DATES: Comments must be submitted on or before August 20, 2001.

ADDRESSES: Interested parties are invited to submit written comments to Tamara R. Manly, Management Analyst (Regulatory Analysis), (202) 898-7453, Office of the Executive Secretary, Room F-4058, Attention: Comments/OES, Federal Deposit Insurance Corporation, 550 17th Street N.W., Washington, D.C. 20429. All comments should refer to "Management Official Interlocks." Comments may be hand-delivered to the guard station at the rear of the 17th Street Building (located on F Street), on business days between 7:00 a.m. and 5:00 p.m. [FAX number (202) 898-3838; Internet address: comments@fdic.gov]. Comments may also be submitted to the OMB desk officer for the FDIC: Alexander Hunt, Office of Information and Regulatory Affairs, Office of Management and Budget, New Executive Office Building, Room 3208, Washington, D.C. 20503.

FOR FURTHER INFORMATION CONTACT: Tamara R. Manly, at the address identified above.

SUPPLEMENTARY INFORMATION: Proposal to renew the following currently approved collection of information:
Title: Management Official Interlocks.

OMB Number: 3064-0118.

Frequency of Response: On occasion.

Affected Public: Management officials of insured nonmember banks and their affiliates.

Estimated Number of Respondents: 5.

Estimated Time per Response: 4 hours.

Estimated Total Annual Burden: 20 hours.

General Description of Collection: The collection is associated with the FDIC's Management Official Interlocks regulation, 12 CFR Part 348, which implements the Depository Institution Management Interlocks Act (DIMIA). DIMIA generally prohibits bank management officials from serving simultaneously with two unaffiliated depository institutions or their holding companies but allows the FDIC to grant exemptions in appropriate circumstances.

Request for Comment

Comments are invited on: (a) Whether the collection of information is necessary for the proper performance of the FDIC's functions, including whether the information has practical utility; (b) the accuracy of the estimates of the burden of the information collection, including the validity of the methodology and assumptions used; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the information collection on respondents, including through the use of automated collection techniques or other forms of information technology.

At the end of the comment period, the comments and recommendations received will be analyzed to determine the extent to which the collection should be modified prior to submission to OMB for review and approval. Comments submitted in response to this notice also will be summarized or included in the FDIC's requests to OMB for renewal of this collection. All comments will become a matter of public record.

Dated at Washington, D.C., this 15th day of June, 2001.

Federal Deposit Insurance Corporation.

Robert E. Feldman,

Executive Secretary.

Proposed Project

The National Death Index (NDI)—Renewal—National Center for Health Statistics (NCHS), Centers for Disease Control and Prevention (CDC). The National Death Index (NDI) is a service of the National Center for Health Statistics that assists health and medical researchers determine the vital status of their study subjects. The NDI is a national data base containing identifying death record information submitted annually to NCHS by all the state vital statistics offices, beginning with deaths in 1979. Searches against the NDI file provide the states and dates of death and the death certificate numbers of deceased study subjects. With the recent implementation of the NDI Plus service, researchers now have the option of also receiving cause of death information for deceased subjects, thus reducing the need to request copies
