

the firm must yield its principal execution to that customer. For purposes of this amendment, the Exchange further proposes adopting the definitions of Regulation NMS in connection with the terms "protected quotation" and "intermarket sweep order."⁶

2. Statutory Basis

The proposed rule change is designed to be consistent with Regulation NMS and with Section 6(b) of the Act⁷ in general, and furthers the objectives of Section 6(b)(5) of the Act⁸ in particular in that the Exchange's proposed rules are designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system and, in general, to protect investors and the public interest.

B. Self-Regulatory Organization's Statement on Burden on Competition

The proposed rule change does not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing proposed rule change is subject to Section 19(b)(3)(A)(iii) of the Act⁹ and Rule 19b-4(f)(6) thereunder¹⁰ because the proposal: (i) Does not significantly affect the protection of investors or the public interest; (ii) does not impose any significant burden on competition; and (iii) does not become operative prior to 30 days after the date of filing or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest; provided that the self-regulatory organization has given the Commission notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such

shorter time as designated by the Commission.

Amex has requested that the Commission waive the five-day pre-filing requirement and the 30-day operative delay in order to enable the Exchange to implement this rule change on an expeditious basis, noting, in particular, the commencement of full industry compliance with Rules 610 and 611 of Regulation NMS during the "All Stocks Phase" that begins on August 20, 2007. The Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest because the proposed rule change adds an exemption to Rule 24-AEMI that is identical to that approved as part of recent amendments to corresponding Rule 92 of the NYSE and does not raise any new issues of regulatory concern.¹¹ For these reasons, the Commission waives the 30-day operative delay.¹² The Commission also waives the five-day pre-filing requirement.

At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.¹³

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Self-Regulatory Organizations; Boston Stock Exchange, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Extend the Time Period for the Position Limits Pilot Program

¹⁰ 17 CFR 240.19b-4(f)(6).

15, 2007, the Boston Stock Exchange, Inc. ("BSE" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I and II below, which Items have been substantially prepared by BSE. The Exchange has filed the proposal as a "non-controversial" rule change pursuant to Section 19(b)(3)(A) of the Act³ and Rule 19b-4(f)(6) thereunder,⁴ which renders it effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

BSE proposes to amend Chapter III, Section 7 (Position Limits) of the Rules

of the Boston Options Exchange ("BOX"), an options trading facility of BSE, to extend its current pilot program to increase the standard position and exercise limits for equity option contracts and options on the Nasdaq-100 Index Tracking Stock ("QQQQ") ("Pilot Program"). The text of the proposed rule change is available at BSE, the Commission's Public Reference Room, and <http://www.bostonstock.com>.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, BSE included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements

may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Pilot Program provides for an increase to the standard position and exercise limits for equity option contracts and for options on QQQQs for a six-month period.⁵ Specifically, the Pilot Program increased the applicable position and exercise limits for equity options and options on the QQQQ to the following levels:

Current equity option contract limit⁶	Pilot program equity option contract limit
13,500	25,000
22,500	50,000
31,500	75,000
60,000	200,000
75,000	250,000
Current QQQQ Option Contract Limit	Pilot Program QQQQ Option Contract Limit
300,000	900,000

The Exchange believes that extending the Pilot Program for six months is warranted due to positive feedback from members and for the reasons cited in the original rule filing that proposed the adoption of the Pilot Program.⁷ In addition, BOX has not encountered any problems or difficulties relating to the Pilot Program since its inception. For these reasons, the BSE requests that the Commission extend the Pilot Program for an additional six months, through and including March 1, 2008.

2. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act,⁸ in general, and furthers the objective of Section 6(b)(5) of the Act,⁹ in particular, in that it is designed to promote just and equitable principles of trade and to protect investors and the public interest.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange has neither solicited nor received comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing rule change does not: (1) Significantly affect the protection of investors or the public interest; (2) impose any significant

burden on competition; and (3) become operative for 30 days from the date of this filing, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act¹⁰ and Rule 19b-4(f)(6) thereunder.¹¹

A proposed rule change filed under Rule 19b-4(f)(6) normally may not become operative prior to 30 days after the date of filing.¹² However, Rule 19b-4(f)(6)(iii)¹³ permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has requested that the Commission waive the 30-day operative delay. The Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and in the public interest because it will allow the Pilot Program to continue uninterrupted. For this

⁵ The Pilot Program, which began on March 3, 2005, was extended on August 15, 2005, February 22, 2006, August 30, 2006, and February 8, 2007. See Securities Exchange Act Release Nos. 51317 (March 3, 2005), 70 FR 12254 (March 11, 2005) (SR-BSE-2005-10) ("Pilot Program Notice"); 52264 (August 15, 2005), 70 FR 48992 (August 22, 2005) (SR-BSE-2005-37); 53347 (February 22, 2006), 71 FR 10573 (March 1, 2006) (SR-BSE-2006-07);

¹² 17 CFR 240.19b-4(f)(6)(iii). In addition, Rule 19b-4(f)(6)(iii) requires that a self-regulatory organization submit to the Commission written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. BSE has satisfied the five-day pre-filing requirement.

At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the Act.
