

“Assessment of Environmental Performance Standards and Ecolabels for Federal Procurement,” identified by EPA ICR No. 2516.05 and OMB Control No. 2070–0199. The ICR represents a renewal of an existing ICR that is currently approved through September 30, 2025. Before submitting the ICR to OMB for review and approval under the PRA, EPA is soliciting comments on specific aspects of the information collection that is summarized in the **Federal Register** document of November 27, 2024.

This document reopens the public comment period for “Notice of Preliminary Designation of Certain Stormwater Discharges in the Commonwealth of Massachusetts and Notice of Availability of Draft Permit Under the National Pollutant Discharge Elimination System of the Clean Water Act” established in the **Federal Register** document of October 31, 2024 (89 FR 86802) (FRL–12374–01–R1), for 30 days. In that document, EPA provided notice of two actions. The first action is the Preliminary Designation of certain stormwater discharges from commercial, industrial, and institutional properties with one acre or more of impervious surface in the Charles, Neponset, and Mystic River watersheds in Massachusetts for regulation under the Clean Water Act’s National Pollutant Discharge Elimination System (NPDES) permitting program. Second, the EPA provided notice of availability of a draft NPDES General Permit for Private Commercial Industrial, and Institutional Stormwater Discharges in Charles, Mystic, and Neponset River Watersheds in Massachusetts.

EPA is extending these comment periods to allow interested parties additional time to thoroughly review and analyze how these notices may impact parties potentially subject to them. Comments previously submitted need not be resubmitted as they are already incorporated into the public record and will be considered in the final action as appropriate.

Where appropriate, the Agency may consider extending the comment period beyond 30 days for the above referenced actions.

To submit comments, or access the docket, please follow the detailed instructions provided under **ADDRESSES**. If you have questions, consult the technical person listed under **FOR FURTHER INFORMATION CONTACT**.

James Payne,
Acting Administrator.
