L. 116–136) authorized on March 27, 2020, and expanded through the Coronavirus Response and Relief Supplemental Appropriations (CRRSA) Act, and the American Rescue Plan (ARP) Act. The Elementary and Secondary School Emergency Relief (ESSER) Fund awards grants to SEAs and for the purpose of providing local educational agencies (LEAs), including charter schools that are LEAs, with emergency relief funds to address the impact that Novel Coronavirus Disease 2019 (COVID–19) has had, and continues to have, on elementary and secondary schools across the Nation.

This revision includes updates to the reporting dates minor language updates

that do not impact the burden of the collection. No new questions are being added.

The information will be reviewed by U.S. Department of Education (Department) employees to ensure that ESSER funds are used in accordance with applicable requirements under the CARES, CRRSA, and ARP Acts and will be shared with the public to promote transparency regarding the allocation and uses of funds. Furthermore, the information collected will be analyzed to provide aggregate statistics on SEA and LEA use of Education Stabilization Fund (ESF) funds to address the impacts of the COVID–19 virus on students and schools. The collection was used for a similar purpose in the first three years of its administration, with reporting made public in 2021, 2022, and 2024.
