DEPARTMENT OF EDUCATION

Discretionary Grant Programs

AGENCY: Department of Education.

ACTION: Notice announcing additional requirement for applicants and grantees.

SUMMARY: The Department of Education announces an additional requirement affecting applicants and grantees. We are taking this action to conform our requirements with final guidance issued by the Office of Management and Budget (OMB) on September 14, 2010 (Financial Assistance Use of Universal Identifier and Central Contractor Registration). The new guidance affects an applicant's or grantee's registration of its Dun and Bradstreet Data Universal Numbering System (DUNS) Number and its Taxpayer Identification Number (TIN) with the Central Contractor Registration (CCR) database.

FOR FURTHER INFORMATION CONTACT: Greg Vick, U.S. Department of Education, 400 Maryland Avenue, SW., Washington, DC 20202-0170. Telephone: (202) 245-6147 or by e-mail: gregory.vick@ed.gov.

SUPPLEMENTARY INFORMATION: In each notice inviting applications for grant awards, we include requirements governing an applicant's DUNS Number and TIN and specify that to do business with the Department, an applicant must register those numbers with the CCR, the Government's primary registrant database.

In its final guidance issued under 2 CFR Part 25 and published in the **Federal Register** on September 14, 2010 (75 FR 55671), OMB added a requirement that an entity doing business with the Department must maintain an active CCR registration with current information while its application is under review and, if it is awarded a grant, during the project period.

The final guidance took effect on October 1, 2010, which made it applicable to every grant competition with an application deadline date on or after October 1, 2010. However, on or

before the effective date, we had published a number of notices inviting applications that had application deadline dates on or after October 1, 2010, but that did not include the new requirement with regard to maintaining an active CCR registration.

This notice serves to inform applicants and potential applicants under those affected competitions that the new requirement applies to them, and each such potential applicant must, therefore, maintain an active CCR registration during the time its application is under review and, if funded, during the project period. However, this requirement does not affect the submission of their applications and does not require any applicant to amend, withdraw, or resubmit its application.

The affected competitions and the publication date in the **Federal Register** of each notice inviting applications are shown below in order of Catalog of Federal Domestic Assistance (CFDA) Number. Questions about the applicability of this notice to any application submitted under these programs should be directed to the program contact identified for each program.
