Adequacy of Arizona Municipal Solid Waste Landfill Permit Program

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice of public hearing and continued opportunity to comment.

SUMMARY: The Environmental Protection Agency Region IX will hold a public hearing concerning the agency’s tentative determination to approve a modification to Arizona’s municipal solid waste landfill (MSWLF) permit program to allow the State to issue research, development, and demonstration (RD&D) permits for new and existing MSWLF units and lateral expansions. EPA published its tentative determination on February 22, 2011 and offered an opportunity for a public hearing. Initially, EPA closed its comment period on April 25, 2011 and announced it would not hold a public hearing. Since that time, in response to public interest and updates to Arizona’s RD&D permit program, EPA decided to hold a public hearing, extend the comment period through the date of the public hearing, and make available for public review the updated information submitted by Arizona in support of its RD&D program.
