Background: The Port Performance Freight Statistics Working Group has been created in accordance with Section 6018 of the FAST Act (Pub. L. 114-94; Dec. 4, 2015; 129 Stat. 1312). The Working Group supports development of the newly-established BTS Port Performance Freight Statistics Program. The goal of the program is “to provide nationally consistent measures of performance” of the nation’s largest ports, and to report annually to Congress on port capacity and throughput.

The Working Group is established in the FAST Act to provide recommendations to the BTS Director on matters related to port performance measures; to identify a standard for port data; to specify standards for consistent port performance measures; to recommend statistics for measuring port capacity and throughput; and to develop a process to collect timely and consistent data. The FAST Act also identifies the membership of the Working Group, and sets a due date for recommendations to the BTS Director of December 4, 2016.

Agenda: During the meeting, U.S. Department of Transportation (hereafter, “Department”) staff will provide updates of the Department’s progress in implementing its Port Performance Freight Statistics Program and related provisions. The Working Group will discuss its draft recommendations on the following topics:

(a) Generally accepted industry standard for port data collection and reporting.

(b) Standards for collecting data and reporting nationally consistent port performance measures.

(c) Statistics measuring U.S. port capacity and throughput.

(d) Process for the Department to collect timely and consistent data, including identifying safeguards to protect proprietary information.

The final meeting agenda will be posted on the BTS Web site at www.bts.gov/port_performance in advance of the meeting.

Public Participation: The meeting will be open to the public on a first-come,

first served basis, especially because space is limited. Members of the public who wish to attend the meetings in-person are asked to send RSVPs, including name and affiliation to portstatistics@dot.gov, in order to request a seat and to facilitate entry.
