SUPPLEMENTARY INFORMATION: On October 7, 2014, at 79 FR 60590, HUD published a proposed rule that would implement amendments made by the Section 202 Supportive Housing for the Elderly Act of 2010 (Section 202 Act of 2010) and the Frank Melville Supportive Housing Investment Act of 2010 (Melville Act) to the authorizing statutes for HUD's supportive housing for the elderly program, known as the Section 202 program, and the supportive housing for persons with disabilities program, known as the Section 811 program. These two statutes were enacted on January 4, 2011, and made important reforms to the Section 202 and Section 811 programs, several of which have already been implemented through separate issuances, as discussed in the Supplementary Information section of this proposed rule. In addition to proposing regulations to implement reforms of these two statutes, this proposed rule would implement several other changes to align with the amendments made by the January 4, 2011, statutes, and streamline the Section 202 and Section 811 programs to better provide supportive housing for the elderly and persons with disabilities.

HUD's proposed rule would establish the requirements and procedures for the use of new project rental assistance for supportive housing for persons with disabilities; the implementation of an

enhanced project rental assistance contract; allowance of a set-aside for a number of units for elderly individuals with functional limitations or other category of elderly persons as defined in the notice of funding availability (NOFA); make significant changes for the prepayment of certain loans for supportive housing for the elderly; implement a new form of rental assistance called Senior Preservation Rental Assistance Contracts (SPRACs); modernize the capital advance for supportive housing for persons with disabilities; and provide grant assistance for applicants without sufficient capital to prepare a site for a funding competition. This rulemaking also proposes to establish the regulations for the Service Coordinators in Multifamily Housing program and the Assisted Living Conversion program.

As noted in the Summary of this notice, HUD provided a 60-day public comment period that closed on December 8, 2014. As HUD also noted, the response to HUD's solicitation of public comment was lower than what HUD expected, and HUD is therefore reopening the public comment period and seeking comments through January 15, 2015.

Dated: December 5, 2014.

Benjamin T. Metcalf,

Deputy Assistant Secretary for Multifamily Housing.
