

assistance centers (PTACs) pursuant to chapter 142, title 10, United States Code. These centers help business firms market their products and service to the Department of Defense (DoD), other federal agencies, and state and/or local government agencies. Cooperative agreement awards made as a result of applications submitted in response to this solicitation contained provisions for the award of additional option awards through 2007. DLA now intends to issue another solicitation as a follow-on action to the March 18, 2003, SCAA in order to maintain continuity of the Procurement Technical Assistance Program. This solicitation, when issued, will govern the submission of applications for calendar year 2008, and will provide for option period awards for 2009 and 2010. This proposed SCAA, which contains a number of changes from the March 18, 2003 SCAA, can be found on-line at <http://www.dla.mil/db/draft2008scaa.pdf> and is currently available for review. Printed copies are not available for distribution.

You are invited to submit written comments concerning this proposed SCAA to: Headquarters, Defense Logistics Agency, Office of Small Business Programs, 8725 John J. Kingman Road, Suite 1127, Ft. Belvoir, VA 22060-6221. Attn: Grants Officer.

All comments must be received by March 26, 2008, in order for them to be considered. DLA intends to post the finalized SCAA on the Internet in early April 2008. A future notice to be published in Grants.gov will announce this posting along with details on how to submit applications.

Notice of Proposed Information Collection Requests

AGENCY: Department of Education.

SUMMARY: The IC Clearance Official, Regulatory Information Management Services, Office of Management, invites comments on the proposed information collection requests as required by the Paperwork Reduction Act of 1995.

DATES: Interested persons are invited to submit comments on or before May 9, 2008.

SUPPLEMENTARY INFORMATION: Section 3506 of the Paperwork Reduction Act of

1995 (44 U.S.C. Chapter 35) requires that the Office of Management and Budget (OMB) provide interested Federal agencies and the public an early opportunity to comment on information collection requests. OMB may amend or waive the requirement for public consultation to the extent that public participation in the approval process would defeat the purpose of the information collection, violate State or Federal law, or substantially interfere with any agency's ability to perform its statutory obligations. The IC Clearance Official, Regulatory Information Management Services, Office of Management, publishes that notice containing proposed information collection requests prior to submission of these requests to OMB. Each proposed information collection, grouped by office, contains the following: (1) Type of review requested, e.g., new, revision, extension, existing or reinstatement; (2) Title; (3) Summary of the collection; (4) Description of the need for, and proposed use of, the information; (5) Respondents and frequency of collection; and (6) Reporting and/or Recordkeeping burden. OMB invites public comment.

The Department of Education is especially interested in public comment addressing the following issues: (1) Is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology.

Dated: March 4, 2008.

Angela C. Arrington,

IC Clearance Official, Regulatory Information Management Services, Office of Management.

Title: High School Longitudinal Study of 2009 (HSL:09).

Frequency: One time.

Affected Public: Individuals or household; Businesses or other for-profit; State, Local, or Tribal Gov't, SEAs or LEAs.

Reporting and Recordkeeping Hour Burden:

Responses: 4,923.

Burden Hours: 1,985.

Abstract: This is a request for clearance for the field test and full scale High School Longitudinal Study of 2009 (HSL:09). The HSL:09 is the most

recent installment in the series of NCES' nationally representative longitudinal studies of high school students. The HSL:09 will assess students in math and science during the fall of their 9th grade year and again in the spring of most participating students' 11th grade year. The study will also survey students, their parents, teachers, guidance counselors, and school administrators twice during the secondary school years and follow students into their postsecondary years. The study will focus on how students navigate the transition between high school and the postsecondary world; what courses, majors (or first job), and careers students decide to pursue, when, why, and how.

Requests for copies of the proposed information collection request may be accessed from <http://edicsweb.ed.gov>, by selecting the "Browse Pending Collections" link and by clicking on link number 3636.
