Final Determination of No Shipments

In the *Preliminary Results*, Commerce determined that Banduoo, Fujian Rongshu, Rong Shu, and Xiamen Yi-He had no shipments of the subject merchandise during the POR.⁴ As no interested party filed comments regarding the *Preliminary Results*, we continue to find that Banduoo, Fujian Rongshu, Rong Shu, and Xiamen Yi-He did not have any shipments of subject merchandise during the POR and intend to issue appropriate instructions to U.S. Customs and Border Protection (CBP) based on the final results of this review.⁵

Assessment Rates

The final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by the final results of this review.⁶ Because we continue to find in these final results that Banduoo, Fujian Rongshu, Rong Shu, and Xiamen Yi-He had no shipments of subject merchandise during the POR, we will instruct CBP to liquidate any suspended entries that entered under their antidumping duty case numbers (*i.e.*, at that exporter's rate) at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction. We intend to issue liquidation instructions for Banduoo, Fujian Rongshu, Rong Shu, and Xiamen Yi-He to CBP 15 days after publication of the final results of this review.

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the notice of final results of administrative review for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication as provided by section

751(a)(2)(C) of the Act: (1) The cash deposit rates for Banduoo, Fujian Rongshu, Rong Shu, and Xiamen Yi-He will remain unchanged from the rate assigned to them in the most recently completed review of those companies; (2) for merchandise exported by manufacturers or exporters not covered in this review but covered in a prior segment of the proceeding, the cash deposit rate will continue to be the company-specific rate published from the most recently completed segment; (3) if the exporter is not a firm covered in this review, or the original investigation, but the manufacturer is, then the cash deposit rate will be the rate established for the most recently completed segment for the manufacturer of the merchandise; and (4) the cash deposit rate for all other manufacturers or exporters will continue to be 4.37 percent, the all-others rate determined in the less-than-fair-value investigation.⁷ These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

Notification Regarding Administrative Protective Order

This notice serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a sanctionable violation.

Notification to Interested Parties

We are issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.221(b)(5).

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) preliminarily determines that Kunshan Jujia Decoration Design Co., Ltd. (Jujia) did not make a *bona fide* sale for antidumping duty purposes during the period of review (POR) January 1, 2019 through December 31, 2019. Therefore, Commerce is preliminarily rescinding this review. Interested parties are invited to comment on the preliminary results of the review.

DATES: Applicable August 20, 2020.

FOR FURTHER INFORMATION CONTACT: Elizabeth Bremer, AD/CVD Operations, Office IV, Enforcement and Compliance, International Trade Administration, Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-4987.

SUPPLEMENTARY INFORMATION:

Background

On February 27, 2020, Commerce published a notice of initiation of a new shipper review of the antidumping duty order on wooden bedroom furniture from the People's Republic of China (China).¹ Commerce subsequently issued an antidumping duty questionnaire, and supplemental questionnaires, to Jujia and received timely responses thereto. For additional background, *see* the Preliminary Decision Memorandum.²

⁶ See section 751(a)(2)(C) of the Act.

Scope of the Order

The product covered by the order is wooden bedroom furniture, subject to certain exceptions. Imports of subject merchandise are classified under the Harmonized Tariff Schedule of the United States (HTSUS) subheadings: 9403.50.9042, 9403.50.9045, 9403.50.9080, 9403.90.7005, 9403.90.7080, 9403.50.9041, 9403.60.8081, 9403.20.0018, 9403.90.8041, 7009.92.1000 and 7009.92.5000. Although the HTSUS subheadings are provided for convenience and custom purposes, the written product description in the order remains dispositive. For a complete description of the scope of the order, see the Preliminary Decision Memorandum.

Methodology

Commerce is conducting this review in accordance with section 751(a)(2)(B) of the Tariff Act of 1930, as amended (the Act) and 19 CFR 351.214. For a full description of the methodology underlying our conclusions, see the Preliminary Decision Memorandum, which is hereby adopted by this notice. A list of sections in the Preliminary Decision Memorandum is attached in the Appendix to this notice. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at <http://enforcement.trade.gov/frn/>. The signed Preliminary Decision Memorandum and the electronic version of the Preliminary Decision Memorandum are identical in content.

Preliminary Rescission of the Antidumping New Shipper Review

As discussed in the *Bona Fide Sales Analysis Memorandum*,³ Commerce preliminarily finds that the sale made by Jujia is not a *bona fide* sale. Commerce reached this conclusion based on the totality of the circumstances surrounding the reported sale, including, among other things, the sales price and quantity. Because Jujia made no *bona fide* sales during the POR, we are preliminarily rescinding this

review.⁴ Because the factual information used in our *bona fide* analysis of Jujia's sale involves business proprietary information, a full discussion of our analysis is in the proprietary *Bona Fide Sales Analysis Memorandum*.

Public Comment

Interested parties are invited to comment on the preliminary results of this review.

Pursuant to 19 CFR 351.309(c)(1)(ii), interested parties may submit case briefs no later than 30 days after the date of publication of this notice. Rebuttal briefs, limited to issues raised in the case briefs, may be filed no later than seven days after the time limit for filing case briefs.⁵ Parties who submit case briefs or rebuttal briefs in this proceeding are requested to submit with each brief: (1) A statement of the issue, (2) a brief summary of the argument, and (3) a table of authorities.⁶ Executive summaries should be limited to five pages total, including footnotes.⁷ All submissions, with limited exceptions, must be filed electronically using ACCESS.⁸ Electronically filed comments must be received successfully in its entirety by Commerce's electronic records system, ACCESS, by 5 p.m. Eastern Time (ET) on the due date. Note that Commerce has temporarily modified certain of its requirements for serving documents containing business proprietary information, until further notice.⁹

Pursuant to 19 CFR 351.310(c), any interested party may request a hearing within 30 days of the publication of this notice in the **Federal Register**. If a hearing is requested, Commerce will notify interested parties of the hearing date and time to be determined. Interested parties who wish to request a hearing must submit a written request to the Assistant Secretary for Enforcement and Compliance, filed electronically via ACCESS within 30 days after the date of publication of this notice. Requests should contain: (1) The party's name, address, and telephone number; (2) the number of hearing participants; and (3) a list of the issues to be discussed in the hearing. Issues raised in the hearing will be limited to those raised in the respective case and rebuttal briefs.

Commerce intends to issue the final results of this review, which will

include the results of its analysis of issues raised in any briefs and rebuttal briefs received, no later than 90 days after the date these preliminary results of review are issued pursuant to section 751(a)(2)(B) of the Act.

Assessment Rates

If Commerce issues a final rescission of this review, it will instruct U.S. Customs and Border Protection (CBP) to liquidate the relevant entry at the China-wide rate.

If Commerce does not proceed to a final rescission of this new shipper review, pursuant to 19 CFR 351.202(b)(1), it will calculate an importer-specific assessment rate based on the final results of this review. However, pursuant to Commerce's refinement to its assessment practice in non-market economy cases, for entries that were not reported in the U.S. sales database submitted by Jujia, Commerce will instruct CBP to liquidate such entries at the China-wide rate.¹⁰

Cash Deposit Requirements

If Commerce proceeds to a final rescission of this review, the cash deposit rate will continue to be the China-wide rate for Jujia because Commerce will not have determined an individual margin of dumping for Jujia. If Commerce determines an individual margin of dumping for Jujia, it will instruct CBP to collect cash deposits, effective upon the publication of the final results of review, equal to the calculated dumping margin.

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

We are issuing and publishing these results in accordance with sections 751(a)(2)(B) and 777(i)(1) of the Act.
