POSTAL SERVICE

Privacy Act; System of Records

AGENCY: Postal Service™

ACTION: Notice of a modified system of records.

SUMMARY: The United States Postal Service® (USPS®) is proposing to revise one General Privacy Act Systems of Records (SOR). These updates are being made to support an effort to improve postal tool management and equipment support.

DATES: These revisions will become effective without further notice on June 6, 2024, unless comments received on or before that date result in a contrary determination.

ADDRESSES: Comments may be submitted via email to the Privacy and Records Management Office, United States Postal Service Headquarters (uspsprivacyfedregnotice@usps.gov). Arrangements to view copies of any written comments received, to facilitate public inspection, will be made upon request.

FOR FURTHER INFORMATION CONTACT: Janine Castorina, Chief Privacy and Records Management Officer, Privacy and Records Management Office, uspsprivacyfedregnotice@usps.gov and by phone at 202-268-2000.

SUPPLEMENTARY INFORMATION:

I. Background

USPS seeks to implement a series of products to improve postal operations related to tool management and equipment support using Radio Frequency Identification (RFID) technology. USPS will utilize a suite of products, including an automated tool control application, industrial vending machines, RFID scanner tunnels, and electronically controlled lockers. These products will use RFID badge scans to track usage and provide access to tools. The system generates reports for restocking and analysis, and live dashboards are available to managers for customization. The aim of these systems is to enhance accountability and tool management, ensuring control of existing tools and adding cost-savings through enhanced tracking of equipment. This system will further promote efficiency, as not only with USPS be able to track its workroom and tool assets but anticipate when perishable resources are running low and take appropriate action.

II. Rationale for Changes to USPS Privacy Act Systems of Records

To further its efforts, this SOR will be revised as follows:

- New purposes added:* 17-20.
- Modified Categories of Records:* 1 and 2.
- New category of records:* 15. Tool Management Analytics and Transactional Records.
- New Policy for Retrieval of Records:* 8.
- New Policy for Retention of Records:* 9.

III. Description of the Modified System of Records

Pursuant to 5 U.S.C. 552a (e)(11), interested persons are invited to submit written data, views, or arguments on this proposal. A report of the proposed
