

comments on the proposed information collection requests as required by the Paperwork Reduction Act of 1995.

DATES: Interested persons are invited to submit comments on or before May 5, 2008.

SUPPLEMENTARY INFORMATION: Section 3506 of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35) requires that the Office of Management and Budget (OMB) provide interested Federal agencies and the public an early opportunity to comment on information collection requests. Each proposed information collection, grouped by office, contains the following: (1) Type of review requested, e.g. new, revision, extension, existing or reinstatement; (2) Title; (3) Summary of the collection; (4) Description of the need for, and proposed use of, the information; (5) Respondents and frequency of collection; and (6) Reporting and/or Recordkeeping burden. OMB invites public comment.

The Department of Education is especially interested in public comment addressing the following issues: (1) Is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology.

Abstract: Students receiving scholarships under section 204 of the Higher Education Act of 1965, as amended, Public Law 105-244, incur a service obligation to teach in a high-need school in a high-need local educational agency (LEA). This information collection consists of a contract to be executed when funds are awarded, subsequent addenda for students receiving funds beyond one semester/quarter/term, and a separate teaching verification form to be used by students and high-need school districts,

to document the students' compliance with the contract's conditions. The Department of Education (ED) has developed an Internet based, e-authorization certified website that will allow these TQE Grants Program Scholarship forms (Scholarship Terms and Conditions and Scholarship Terms and Conditions Addendum) to be electronically submitted. This Internet-based website will escalate efficiently and will reduce a substantial paper burden of inputting these documents manually.
