**SUPPLEMENTARY INFORMATION:**

*Authority:* Executive Order 13571—Streamlining Service Delivery and Improving Customer Service.

*Title:* Department of Veterans Affairs (VA) Post-Separation Transition Assistance Program (TAP) Assessment.

*OMB Control Number:* 2900–0864.

*Type of Review:* Extension of a currently approved collection.

*Abstract:* The PSTAP Assessment is administered by VA to assess how the TAP training for Transitioning Service members (TSMs) prepares Veterans for civilian life and its effects on long-term Veteran outcomes. This information collection request (ICR) is conducted once per year and is designed as two separate collections which include a Cross-Sectional Survey and a

Longitudinal Survey. The survey population for the Cross-Sectional Survey includes all Veterans who meet the criteria at the time of fielding of having separated from the military at six months, one year, and three years prior to the date that surveys. Service members who participated in the Cross-Sectional Survey and voluntarily agreed to participate in the Longitudinal Survey make up the Longitudinal Survey population. VA will use email and mail methods to administer the survey, limiting the burden on respondents. The surveys will be administered to gauge the long-term effectiveness of the Transition Assistance Program (TAP) by: (1) examining the relationship between attendance in TAP courses and the use of VA Benefits; (2) analyzing the effect of participation in TAP courses on the long-term outcomes of Veterans in the broad life domains of employment, education, health and social relationships, financial, social connectivity and overall satisfaction and well-being; and; (3) identifying areas of improvement for TAP and the broader transition process to guide training and/or operational activities aimed at enhancing the quality of service provided to transitioning service members, Veterans, their families and caregivers.

## DEPARTMENT OF VETERANS AFFAIRS

### Cost-Based and Inter-Agency Billing Rates for Medical Care or Services Provided by the Department of Veterans Affairs for Fiscal Year 2023

**AGENCY:** Department of Veterans Affairs.

**ACTION:** Notice.

**SUMMARY:** This document updates the Cost-Based and Inter-Agency billing rates for medical care or services provided by the U.S. Department of Veterans Affairs (VA) furnished in certain circumstances.

**DATES:** The rates set forth herein are effective October 1, 2022.

**FOR FURTHER INFORMATION CONTACT:** Ms. Debra Vathauer, Office of Finance, Revenue Operations, Payer Relations and Services, Rates and Charges (104RO1), Veterans Health Administration, Department of Veterans Affairs, 128 Bingham Road, Suite 1000, Asheville, NC 28806; telephone: 608-821-7346 (this is not a toll-free number).

**SUPPLEMENTARY INFORMATION:** VA's methodology for computing Cost-Based and Inter-Agency rates for medical care or services provided by VA is set forth in 38 CFR 17.102(h). Two sets of rates are obtained by applying this methodology, Cost-Based and Inter-Agency.

Cost-Based rates apply to medical care and services that are provided by VA under 38 CFR 17.102(a), (b), (d) and (g), respectively, in the following circumstances:

- In error or based on tentative eligibility;
- In a medical emergency;
- To pensioners of allied nations; and
- For research purposes in circumstances under which the medical care appropriation shall be reimbursed from the research appropriation.

Inter-Agency rates apply to medical care and services that are provided by VA under § 17.102(c) and (f), respectively, in the following circumstances when the care or services provided are not covered by any applicable sharing agreement in accordance with § 17.102(e):

- To beneficiaries of the Department of Defense or other Federal agencies; and
- To military retirees with chronic disability.

The calculations for the Cost-Based and Inter-Agency rates are the same with two exceptions. Inter-Agency rates are all-inclusive and are not broken down into three components (*i.e.*, Physician; Ancillary; and Nursing Room and Board), and do not include standard fringe benefit costs that cover Government employee retirement, disability costs and return on fixed assets.

The following table depicts the Cost-Based and Inter-Agency rates that are effective October 1, 2022, and will remain in effect until the next fiscal year **Federal Register** update. These rates supersede those established by the **Federal Register** notice published on August 4, 2021, at 86 FR 42015.
