Federal Acquisition Regulation: Recreational Services on Federal Lands

AGENCY: Department of Defense (DoD), General Services Administration (GSA), and National Aeronautics and Space Administration (NASA).

ACTION: Final rule.

SUMMARY: DoD, GSA, and NASA are issuing a final rule to amend the Federal Acquisition Regulation (FAR) to implement a Department of Labor (DOL) rule, which exempts certain contracts for seasonal recreational services or seasonal recreational equipment rental for the general public on Federal lands from an Executive order on minimum wage. This rule does not change the extent to which contractors can be used to assist Federal agencies with providing services on Federal lands. This rule only changes the extent to which minimum wages are required for applicable Federal contracts.

DATES: *Effective:* November 23, 2020.

SUPPLEMENTARY INFORMATION:

I. Background

DoD, GSA, and NASA published a proposed rule on October 21, 2019, at 84 FR 56157, to amend the FAR to implement a DOL final rule, Minimum Wage for Contractors; Updating Regulations To Reflect Executive Order 13838, published in the **Federal Register** at 83 FR 48537 on September 26, 2018.

The DOL rule implemented Executive Order (E.O.) 13838, Exemption From Executive Order 13658 for Recreational Services on Federal Lands (May 25, 2018, published June 1, 2018, 83 FR 25341), which exempted certain

contracts and contract-like instruments from the requirements of E.O. 13658, Establishing a Minimum Wage for Contractors. E.O. 13658 raised the hourly minimum wage paid to workers performing on or in connection with covered Federal contracts to: (i) \$10.10 per hour, beginning January 1, 2015; and (ii) beginning January 1, 2016, and annually thereafter, an amount determined by the Secretary of Labor in accordance with the E.O. As of January 1, 2020, E.O. 13658 raised minimum wage to \$10.80 per hour (84 FR 49345).

E.O. 13838 and DOL's implementing regulation exempt contracts or contract-like instruments entered into with the Federal Government in connection with seasonal recreational services or seasonal recreational equipment rental for the general public on Federal lands from the requirements of E.O. 13658; lodging and food services are not exempted.

The purpose of this rule is to make a conforming change in the FAR. This rule implements E.O. 13838 by amending FAR 22.1903(b)(2) and FAR clause 52.222-55(c)(2) to conform to the DOL rule by adding seasonal recreational services or seasonal recreational equipment rental for the general public on Federal lands to the list of exemptions.

Eighteen respondents provided comments in response to the proposed rule.

II. Discussion and Analysis

The Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (the Councils) reviewed the public comments in the development of the final rule. A discussion of the comments and the changes made to the rule as a result of those comments are provided as follows:

A. Changes to Rule

A new definition for "seasonal recreational equipment rental" was added to provide additional clarity within the rule. An additional conforming editorial change was also made within the FAR clause at 52.222-55.

B. Analysis of Public Comments

1. Support for the Rule

Comment: One respondent expressed support for the rule.

Response: Noted.

2. Legal Sufficiency of Rule

Comment: Two respondents stated the rule was illegal or would violate E.O. 13658.

Response: This rule exempts certain contracts and contract-like instruments from the requirements of E.O. 13658 as directed by E.O. 13838. An Executive order may revise, narrow, or augment a policy established under a prior Executive order as long as the new Executive order does not conflict with the U.S. Constitution or current statutory law. This regulation is legally sufficient.

3. Opposition to the Rule

Comment: Several respondents expressed general opposition to the rule.

Response: The purpose of this rule is to make a conforming change in the FAR. This rule implements E.O. 13838 by amending FAR 22.1903(b)(2) and FAR clause 52.222–55(c)(2) to conform to the DOL rule by adding seasonal recreational services or seasonal recreational equipment rental for the general public on Federal lands to the list of exemptions.

4. Scope of Rule

Comment: Several respondents stated the rule would privatize the National Parks.

Response: This rule does not change the extent to which contractors can be used to assist Federal agencies with providing services on Federal lands. Nor does it alter any inherently governmental responsibility vested in the Federal Government. Contractors have been used by Federal agencies for many years to assist with providing superior and efficient services on Federal lands. This rule only changes the extent to which minimum wages are required for Federal contracts under E.O. 13658.

III. Applicability to Contracts at or Below the Simplified Acquisition Threshold (SAT) and for Commercial Items, Including Commercially Available Off-the-Shelf (COTS) Items

This rule does not add any new provisions or clauses. The rule does not change the applicability of existing provisions or clauses to contracts at or below the SAT and contracts for the acquisition of commercial items, including COTS items. The FAR clause at 52.222–55, Minimum Wages Under Executive Order 13658, is prescribed for use in contracts valued at or below the SAT and for the acquisition of commercial items. Under this rule, acquisitions below the SAT or for commercial items involving seasonal recreational services or seasonal recreational equipment rental for the general public on Federal lands would be exempt from FAR clause 52.222–55.

Lodging and food services are not exempted.

IV. Executive Orders 12866 and 13563

E.O.s 12866 and 13563 direct agencies to assess all costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits (including potential economic, environmental, public health and safety effects, distributive impacts, and equity). E.O. 13563 emphasizes the importance of quantifying both costs and benefits, of reducing costs, of harmonizing rules, and of promoting flexibility. This rule is not a significant regulatory action, and therefore, was not subject to review under section 6(b) of E.O. 12866, Regulatory Planning and Review, dated September 30, 1993. This rule is not a major rule under 5 U.S.C. 804.

V. Executive Order 13371

This rule is not subject to E.O. 13771, Reducing Regulation and Controlling Regulatory Costs, because the rule is not a significant regulatory action under E.O. 12866.

VI. Regulatory Flexibility Act

DoD, GSA, and NASA have prepared a Final Regulatory Flexibility Analysis (FRFA) consistent with the Regulatory Flexibility Act, 5 U.S.C. 601, *et seq.* The FRFA is summarized as follows:

This rule is required to implement a DOL rule dated September 26, 2018, which implemented E.O. 13838, Exemption from Executive Order 13658 for Recreational Services on Federal Lands (May 25, 2018, published June 1, 2018, 83 FR 25341). E.O. 13838 made contracts or contract-like instruments entered into with the Federal Government in connection with seasonal recreational services or seasonal recreational equipment rental for the general public on Federal lands exempt from the minimum wage requirements under E.O. 13658, dated February 12, 2014; lodging and food services are not exempted.

The objective of this rule is to make a conforming change in the FAR to conform to the DOL rule to implement E.O. 13838. This rule provides a conforming amendment to FAR 22.1903(b)(2)(iii) and FAR clause 52.222–55(c)(2)(ii) to conform to the DOL rule by adding seasonal recreational services or seasonal recreational equipment rental for the general public on Federal lands to the list of exemptions. Lodging and food services are not exempted. The legal basis for these changes is E.O. 13838.

There were no significant issues raised by the public comments in response to the initial regulatory flexibility analysis.

This rule is not expected to have a significant economic impact on a substantial number of small entities within the meaning of the Regulatory Flexibility Act, 5 U.S.C. 601, *et seq.*, because the rule only applies to

contracts for seasonal recreational services or seasonal recreational equipment rental.

Lodging and food services are not exempted. On average for fiscal years 2016–2018, there were 229 awards reported on an annual basis in the Federal Procurement Data System (FPDS) for seasonal recreational services and seasonal recreational equipment rental, of which 153 were awarded to small business entities. The FPDS data could not isolate which of the awards were for services or rentals on Federal lands, so the average number of awards for seasonal recreational services or seasonal recreational equipment rental to the general public on Federal lands could be even lower. Furthermore, this rule is expected to have a beneficial impact on small businesses as it relaxes the burden on small businesses.

There are no reporting, recordkeeping, or other compliance requirements on any small entities in this rule. The rule does not duplicate, overlap or conflict with any other Federal rules.

DoD, GSA, and NASA were unable to identify any alternatives to the rule which would reduce the impact on small entities and still meet the requirements of the statute.

Interested parties may obtain a copy of the FRFA from the Regulatory Secretariat Division. The Regulatory Secretariat Division has submitted a copy of the FRFA to the Chief Counsel for Advocacy of the Small Business Administration.

VII. Paperwork Reduction Act

The rule does not contain any information collection requirements that require the approval of the Office of Management and Budget under the Paperwork Reduction Act (44 U.S.C. chapter 35).
