

review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

Cash Deposit Requirements

The following cash deposit requirements will be effective for all shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) For previously investigated or reviewed Chinese or non-Chinese exporters that received a separate rate in a prior segment of this proceeding, the cash deposit rate will continue to be the existing exporter-specific rate; (2) for all Chinese exporters of subject merchandise that have not been found to be entitled to a separate rate, the cash deposit rate will be that for the China-wide entity (*i.e.*, 167.02 percent); and (3) for all non-Chinese exporters of subject merchandise which have not received their own rate, the cash deposit rate will be the rate applicable to the Chinese exporter that supplied that non-Chinese exporter. These deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification Regarding Administrative Protective Order

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

Notification to Interested Parties

We are issuing and publishing these final results in accordance with sections 751(a)(1) and 777(i) of the Act, and 19 CFR 351.213(h) and 351.221(b)(5).

SUPPLEMENTARY INFORMATION:

Background

On April 21, 2020, Commerce published the CVD order on cabinets from China.¹ On April 1, 2021, Commerce published a notice of opportunity to request an administrative review of the *Order* for the POR.² In

April 2021, we received timely requests from multiple parties to conduct an administrative review of the *Order*. On June 11, 2021, we published a notice of initiation for this administrative review.³ For a complete description of the events that followed the initiation of this review, see the Preliminary Decision Memorandum.⁴ The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <http://access.trade.gov>. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at <https://access.trade.gov/public/FRNoticesListLayout.aspx>.

On December 7, 2021, Commerce extended the deadline for the preliminary results of this review by 120 days to May 2, 2022.

Scope of the Order

The scope of the *Order* covers cabinets from China. For a complete description of the scope of the *Order*, see the Preliminary Decision Memorandum.⁵

Methodology

We are conducting this administrative review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For each of the subsidy programs found to be countervailable, we determine that there is a subsidy, *i.e.*, a financial contribution by an "authority" that confers a benefit to the recipient, and that the subsidy is specific.⁶ For a full description of the methodology underlying our preliminary conclusions, including our reliance, in part, on

to Request Administrative Review, 86 FR 17137 (April 1, 2021).

adverse facts available pursuant to sections 776(a) and (b) of the Act, *see* the Preliminary Decision Memorandum. A list of topics included in the Preliminary Decision Memorandum is provided in Appendix I to this notice.

Rescission of Administrative Review, in Part

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole or in part, if the parties that requested a review withdraw the request within 90 days of the date of publication of the notice of initiation. Commerce received withdrawal requests with respect to the 52 companies listed in Appendix II. Because the withdrawal requests were timely filed and no other parties requested a review of these companies, in accordance with 19 CFR 351.213(d)(1), Commerce is rescinding this review of the *Order* for the 52 companies listed in Appendix II.⁷

Intent To Rescind Administrative Review, in Part

It is Commerce's practice to rescind an administrative review of a CVD order, pursuant to 19 CFR 351.213(d)(3),

when there are no reviewable entries of subject merchandise during the POR for which liquidation is suspended.⁸ Normally, upon completion of an administrative review, the suspended entries are liquidated at the CVD assessment rate calculated for the review period.⁹ Therefore, for an administrative review of a company to be conducted, there must be a reviewable, suspended entry that Commerce can instruct U.S. Customs and Border Protection (CBP) to liquidate at the CVD assessment rate calculated for the review period.¹⁰

According to the CBP import data, the following four companies subject to this review did not have reviewable entries of subject merchandise during the POR for which liquidation is suspended: (1) Guangzhou Nuolande Import and Export Co., Ltd.; (2) Linyi Kaipu Furniture Co., Ltd.; (3) Shandong Longsen Woods Co., Ltd.; and (4) Zhoushan For-strong Wood Co., Ltd. Accordingly, in the absence of reviewable, suspended entries of subject merchandise during the POR, we intend to rescind this administrative review with respect to these four companies, in accordance with 19 CFR 351.213(d)(3).

Preliminary Rate for Non-Selected Companies

There are two companies for which a review was requested and not rescinded, and which were not selected as mandatory respondents or found to be cross-owned with a mandatory respondent: (1) Jiangsu Xiangsheng Bedtime Furniture Co., Ltd., and (2) Senke Manufacturing Company. For these non-selected companies, we are basing the subsidy rate on the subsidy rate calculated for Dalian Hualing Wood Co., Ltd., the only mandatory respondent with a preliminary subsidy rate that is not zero, *de minimis*, or based entirely on facts available.¹¹ This methodology to establish the non-selected subsidy rate is consistent with our practice with regard to the all-others rate, pursuant to section 705(c)(5)(A)(i) of the Act.

Preliminary Results of Administrative Review

As a result of this administrative review, we preliminarily find that the following net countervailable subsidy rates exist for the period August 12, 2019, through December 31, 2020:

Company	Subsidy rate—2019 (percent <i>ad valorem</i>)	Subsidy rate—2020 (percent <i>ad valorem</i>)
Dalian Hualing Wood Co., Ltd	22.29	16.91
Nantong Aershin Cabinet Co., Ltd. ¹²	229.40	229.40
Review-Specific Average Rate Applicable to the Following Companies		
Jiangsu Xiangsheng Bedtime Furniture Co., Ltd	22.29	16.91
Senke Manufacturing Company	22.29	16.91

Assessment Rates

Upon issuance of the final results of this administrative review, consistent with section 751(a)(1) of the Act and 19 CFR 351.212(b)(2), Commerce shall determine, and CBP shall assess, countervailing duties on all appropriate entries covered by this review. For the 52 companies for which this review is rescinded, Commerce will instruct CBP to assess countervailing duties on all appropriate entries at the rate equal to the cash deposit of estimated countervailing duties required at the time of entry, or withdrawal from warehouse, for consumption, during the period August 12, 2019, through

December 31, 2020, in accordance with 19 CFR 351.212(c)(1)(i).

For the companies remaining in the review, Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

Cash Deposit Requirements

Pursuant to section 751(a)(2)(C) of the Act, Commerce intends, upon

publication of the final results, to instruct CBP to collect cash deposits of estimated countervailing duties in the amounts calculated in the final results of this review for the respective companies listed above, on shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this administrative review. If the rate calculated in the final results is zero or *de minimis*, no cash deposit will be required on shipments of the subject merchandise entered or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this review.

¹² This company was selected as a mandatory respondent but did not respond to Commerce's initial questionnaire. Accordingly, the rate for this company was based on facts available with an adverse inference pursuant to sections 776(a) and (b) of the Act. For a detailed discussion, *see* Preliminary Decision Memorandum.

For all non-reviewed companies, CBP will continue to collect cash deposits of estimated countervailing duties at the all-others rate (*i.e.*, 20.93 percent)¹³ or the most recent company-specific rate applicable to the company, as appropriate. These cash deposit requirements, when imposed, shall remain in effect until further notice.

Disclosure and Public Comment

We intend to disclose the calculations performed for these preliminary results to the parties within five days after public announcement of the preliminary results in accordance with 19 CFR 351.224(b). Pursuant to 19 CFR 351.309(c), interested parties may submit case briefs no later than 30 days after the date of publication of this notice. Rebuttal briefs, limited to issues raised in the case briefs, may be filed no later than seven days after the date for filing case briefs.¹⁴ Parties who submit case or rebuttal briefs in this proceeding are encouraged to submit with each argument: (1) A statement of the issue, (2) a brief summary of the argument, and (3) a table of authorities.¹⁵ Commerce has temporarily modified certain of its requirements for serving documents containing business proprietary information.¹⁶

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing, limited to issues raised in the case and rebuttal briefs, must submit a written request to the Assistant Secretary for Enforcement and Compliance, filed electronically via ACCESS. An electronically filed document must be received successfully in its entirety by Commerce's electronic records system, ACCESS, by 5:00 p.m. Eastern Time within 30 days after the date of publication of this notice.¹⁷ Requests should contain: (1) The party's name, address and telephone number; (2) the number of participants; and (3) a list of issues to be discussed. If a request for a hearing is made, we will inform parties of the scheduled date and time for the hearing.

Unless extended, we intend to issue the final results of this administrative review, including the results of our analysis of the issues raised by the parties in their case briefs, no later than 120 days after the date of publication of this notice in the **Federal Register**, pursuant to section 751(a)(3)(A) of the Act.

Notification to Interested Parties

We are issuing and publishing these preliminary results in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.213(d)(4) and 19 CFR 351.221(b)(4).
