I. Background

The ETA 538 provides information that allows unemployment claims information to be released to the public five days after the close of the reference period. The ETA 539 contains more detailed weekly claims information and the state's 13-week insured unemployment rate which is used to determine eligibility for the Extended Benefits program.

The Department is particularly interested in comments which:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
