Substance Abuse and Mental Health Services Administration

Agency Information Collection Activities: Submission for OMB Review; Comment Request

Periodically, the Substance Abuse and Mental Health Services Administration (SAMHSA) will publish a summary of information collection requests under OMB review, in compliance with the Paperwork Reduction Act (44 U.S.C. Chapter 35). To request a copy of these documents, call the SAMHSA Reports Clearance Officer on (240) 276-1243.

Project: National Suicide Prevention Lifeline—Call Log—NEW

The Substance Abuse and Mental Health Services Administration's (SAMHSA), Center for Mental Health Services has funded a National Suicide

Prevention Lifeline Network, consisting of a system of toll-free telephone numbers that route calls from anywhere in the United States to a network of local crisis centers. In turn, the local centers link callers to local emergency, mental health, and social service resources.

Through its grantee which is administering the National Suicide Prevention Lifeline Network, SAMHSA developed a Call Log in an effort to monitor basic trends in calls received. Data from this instrument will inform the Lifeline's ability to enhance network services, provide training to crisis

counselors, and more effectively target its promotional efforts, thus increasing the network's accessibility to people at risk for suicidal behavior and optimizing public health efforts to prevent suicide and suicidal behavior.

All 125 networked crisis centers will be invited to complete the Call Logs, which will be available in both Web-based and hardcopy formats. For the estimated 80% of centers that already collect compatible data, an IT worker will be able to conduct monthly downloads from their own software systems. For the remaining centers, trained crisis counselors will be able to

complete the majority of Call Log items during the course of the call, without asking the caller specific questions. They will use their judgment as to whether to complete the remainder of the Call Log at the conclusion of individual calls. Completing the form entails asking callers several basic questions (e.g., age, race, ethnicity, veteran status, how they heard about the Lifeline service). No identifiable information will be collected.

The estimated annual response burden¹ to collect this information is as follows:

Type of respondent	Number of respondents	Responses per respondent	Total responses	Hours per response	Total hour burden per respondent	Total hour burden, all respondents
IT Worker (extract, reformat, upload; ACCs)	² 111,100	12	1,200	.5	6	600
Caller (question response; NCCs)	³ 26,640	1	26,640	.05	.05	1,332
Volunteer Crisis Counselor (form completion; NCCs)	4 375	⁵ 36	13,500	.08	2.9	1,088
Paid Staff Crisis Counselor (form completion; NCCs)	375	36	13,500	.08	2.9	1,088
Total	27,490		54,840			4,108

Written comments and recommendations concerning the proposed information collection should be sent by May 1, 2009 to: SAMHSA Desk Officer, Human Resources and Housing Branch, Office of Management and Budget, New Executive Office Building, Room 10235, Washington, DC 20503; due to potential delays in OMB's receipt and processing of mail sent through the U.S. Postal Service, respondents are encouraged to submit comments by fax to: 202-395-6974.

Dated: March 25, 2009.

Director, Office of Program Services.
