

destined for non-fresh use or (2) specially prepared and cultivated prior to planting and then harvested and otherwise prepared for use as seed must be accompanied by declarations to the U.S. Customs and Border Protection (CBP) to that effect.

Background

On July 7, 2003, the Department of Commerce (the Department) published in the **Federal Register** the *Notice of Initiation of New Shipper Antidumping Duty Reviews: Fresh Garlic From the People's Republic of China* (68 FR 40242). On July 15, 2003, the Department issued an antidumping questionnaire to Tancheng County Dexing Foods Co., Ltd. (Tancheng Dexing). On December 16, 2003, the Department issued a supplemental questionnaire to Tancheng Dexing.

On August 28, 2003, and January 20, 2004, the Department received responses to sections A, C, and D of the Department's original questionnaire and supplemental questionnaire, respectively, from Tancheng Dexing.

On March 10, 2004, Tancheng Dexing withdrew its request for a review.

Rescission of New Shipper Review

We are rescinding the new shipper review with respect to Tancheng Dexing. On March 10, 2004, Tancheng Dexing withdrew its request for a review. Although Tancheng Dexing withdrew its request after the 60-day deadline, we found it reasonable to extend the deadline because we had not committed significant resources yet to the new shipper review of Tancheng Dexing. See *Fresh Garlic from the People's Republic of China: Partial Rescission of Antidumping Duty Administrative Review*, 68 FR 46580 (August 6, 2003). Specifically, we had not started calculating a margin for Tancheng Dexing and we had not yet verified Tancheng Dexing's data. Further, Tancheng Dexing was the only party to request the review. In a March 19, 2004, letter to Tancheng Dexing, we expressed our intent to extend the deadline for the withdrawal of the request of the review and rescind the new shipper review subsequently. We did not receive any submissions opposing the withdrawal of the request for the review or our intent to rescind. For these reasons, we have accepted Tancheng Dexing's withdrawal and are rescinding the new shipper review of the antidumping duty order on fresh garlic from the People's Republic of China (PRC) with respect to Tancheng Dexing in accordance with 19 CFR 351.214(f)(1).

Cash Deposits

Bonding is no longer permitted to fulfill security requirements for shipments from Tancheng Dexing of fresh garlic from the PRC entered, or withdrawn from warehouse, for consumption in the United States on or after the publication of this notice of rescission of antidumping duty new shipper review in the **Federal Register**. Further, effective upon publication of this notice for all shipments of the subject merchandise exported by Tancheng Dexing and entered, or withdrawn from warehouse, for consumption, the cash-deposit rate will be the PRC-countrywide rate, which is 376.67 percent.

Assessment of Antidumping Duties

The Department shall instruct CBP to assess antidumping duties on all appropriate entries. Since we are rescinding this antidumping duty new shipper review, the PRC-wide rate of 367.67 percent in effect at the time of entry applies to all exports of fresh garlic from the PRC produced and exported by Tancheng Dexing during the period of review. The Department will issue appropriate assessment instructions directly to CBP within 15 days of publication of this notice of rescission of antidumping duty new shipper review.

Notification to Interested Parties

This notice serves as a reminder to importers of their responsibility under 19 CFR 352.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and subsequent assessment of double antidumping duties.

This notice is published in accordance with section 751(B) of the Tariff Act of 1930, as amended, and 19 CFR 351(f)(3).

Dated: April 20, 2004.

Jeffrey May,

Deputy Assistant Secretary for Import Administration.

DEPARTMENT OF COMMERCE

International Trade Administration

[A-201-802]

Gray Portland Cement and Clinker From Mexico: Notice of Extension of the Time Limit for the Preliminary Results of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of extension of the time limit for the preliminary results of antidumping duty administrative review.

SUMMARY: The Department of Commerce is extending the time limit for the preliminary results of the administrative review of the antidumping duty order on gray portland cement and clinker from Mexico until June 14, 2004. This extension applies to the administrative review of two exporters, CEMEX, S.A. de C.V., and GCC Cemento, S.A. de C.V. The period of review is August 1, 2002, through July 31, 2003.

EFFECTIVE DATE: April 28, 2004.

FOR FURTHER INFORMATION CONTACT: Jeffrey Frank or Hermes Pinilla, AD/CVD Enforcement 3, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-0090 and (202) 482-3477, respectively.

Background

On September 30, 2003, the Department of Commerce (the Department) published in the **Federal Register** the *Initiation of Antidumping and Countervailing Duty Administrative Reviews, Request for Revocation in Part and Deferral of Administrative Review* (68 FR 56262) in which it initiated an administrative review of the antidumping duty order on gray portland cement and clinker from Mexico.

Extension of Time Limit for Preliminary Results

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), provides that the Department will issue the preliminary results of an administrative review of an antidumping duty order within 245 days after the last day of the anniversary month of the date of publication of the order. Currently, the due date for the preliminary results is May 2, 2004. The Act also provides that the Department may extend the 245-day period up to 365 days if it determines

that it is not practicable to complete the review within the foregoing time period.

This review involves complex factual and legal issues regarding sales of a new type of cement and the reporting of downstream sales, and the Department needs additional time to consider these issues. For these reasons, the Department has determined that it is not practicable to complete the preliminary results within the time limit mandated by section 751(a)(3)(A) of the Act. Therefore, in accordance with that section, the Department is extending the time limit for completion of the preliminary results by 43 days. The preliminary results of review are now due no later than June 14, 2004. The Department intends to issue the final results of review 120 days after the publication of the preliminary results. This extension of the time limit is in accordance with section 751(a)(3)(A) of the Act.

Dated: April 20, 2004.

Jeffrey May,

Deputy Assistant Secretary for Import Administration.
