

Seating for members of the public may be limited. The Commission therefore asks that those intending to attend the meeting advise it in advance by sending an email to the Commission at mmc@mmc.gov or by calling (301) 504-0087. Members of the public will need to present valid, government-issued photo identification and obtain a visitor's pass from the receptionist at the main laboratory building.

MATTERS TO BE CONSIDERED: The Commission plans to meet with regional management and scientific officials in each of the National Marine Fisheries Service's six regions to identify the most pressing marine mammal research and management needs. The Commission will use these meetings to develop a set of national priorities for guiding federal conservation efforts for marine mammals. Members of the public are invited to attend these meetings and to provide comments concerning priority issues. Those unable to attend any of the meetings may submit comments in writing. Written comments should be sent to Timothy J. Ragen, Executive Director, Marine Mammal Commission, 4340 East-West Highway, Room 700, Bethesda, Maryland 20814.

The first meeting will be held in the National Marine Fisheries Service's Northeast Region at the Northeast Fisheries Science Center. Notices of other meetings will be published in the **Federal Register** and posted on the Commission's Web site (<http://www.mmc.gov>) when the dates and locations are determined.

[Notice 12-043]

Notice of Intent To Grant Exclusive License

AGENCY: National Aeronautics and Space Administration.

ACTION: Notice of intent to grant exclusive license.

SUMMARY: This notice is issued in accordance with 35 U.S.C. 209(e) and 37

CFR 404.7(a)(1)(i). NASA hereby gives notice of its intent to grant an exclusive, license in the United States to practice the invention described and claimed in U.S. Patent Application No. 6,452,510; NASA Case No. KSC-12168 entitled "Personal Cabin Pressure Monitor and Warning System," to Aviation Technology, Inc., having its principal place of business at 288 Dolphin Cove Court, Del Mar, CA 92014. The patent rights in this invention have been assigned to the United States of America as represented by the Administrator of the National Aeronautics and Space Administration. The prospective exclusive license will comply with the terms and conditions of 35 U.S.C. 209 and 37 CFR 404.7.

DATES: The prospective exclusive license may be granted unless, within fifteen (15) days from the date of this published notice, NASA receives written objections including evidence and argument that establish that the grant of the license would not be consistent with the requirements of 35 U.S.C. 209 and 37 CFR 404.7. Competing applications completed and received by NASA within fifteen (15) days of the date of this published notice will also be treated as objections to the grant of the contemplated exclusive license. Objections submitted in response to this notice will not be made available to the public for inspection and, to the extent permitted by law, will not be released under the Freedom of Information Act, 5 U.S.C. 552.

ADDRESSES: Objections relating to the prospective license may be submitted to Patent Counsel, Office of the Chief Counsel, Mail Code CC-A, NASA John F. Kennedy Space Center, Kennedy Space Center, FL 32899. Telephone: 321-867-7214; Facsimile: 321-867-1817.
