

substances.” With respect to a practitioner, the DEA has also long held that the possession of authority to dispense controlled substances under the laws of the state in which a practitioner engages in professional practice is a fundamental condition for obtaining and maintaining a practitioner’s registration. *See, e.g., James L. Hooper, M.D.*, 76 FR 71,371 (2011), *pet. for rev. denied*, 481 F. App’x 826 (4th Cir. 2012); *Frederick Marsh Blanton, M.D.*, 43 FR 27,616, 27,617 (1978).

This rule derives from the text of two provisions of the CSA. First, Congress defined the term “practitioner” to mean “a physician . . . or other person licensed, registered, or otherwise permitted, by . . . the jurisdiction in which he practices . . . , to distribute, dispense, . . . [or] administer . . . a controlled substance in the course of professional practice.” 21 U.S.C. 802(21). Second, in setting the requirements for obtaining a practitioner’s registration, Congress directed that “[t]he Attorney General shall register practitioners . . . if the applicant is authorized to dispense . . . controlled substances under the laws of the State in which he practices.” 21 U.S.C. 823(f). Because Congress has clearly mandated that a practitioner possess state authority in order to be deemed a practitioner under the CSA, the DEA has held repeatedly that revocation of a practitioner’s registration is the appropriate sanction whenever he is no longer authorized to dispense controlled substances under the laws of the state in which he practices. *See, e.g., James L. Hooper*, 76 FR at 71,371–72; *Sheran Arden Yeates, M.D.*, 71 FR 39,130, 39,131 (2006); *Dominick A. Ricci, M.D.*, 58 FR 51,104, 51,105 (1993); *Bobby Watts, M.D.*, 53 FR 11,919, 11,920 (1988); *Frederick Marsh Blanton*, 43 FR at 27,617.

According to the New York Controlled Substances Act (hereinafter, the Act), “[i]t shall be unlawful for any person to manufacture, sell, prescribe, distribute, dispense, administer, possess, have under his control, abandon, or transport a controlled substance except as expressly allowed by this article.” N.Y. Pub. Health Law § 3304 (McKinney 2022). Further, the Act defines a “practitioner” as “[a] physician . . . or other person licensed, or otherwise permitted to dispense, administer or conduct research with respect to a controlled substance in the course of a licensed professional practice” *Id.* at § 3302(27). Finally, New York regulations state that “[a] prescription for a controlled substance may be issued only by a

practitioner who is . . . authorized to prescribe controlled substances pursuant to his licensed professional practice” N.Y. Comp. Codes R. & Regs. tit. 10, § 80.64 (2022).

Here, the undisputed evidence in the record is that Registrant currently lacks authority to practice medicine in New York. As already discussed, a physician must be a licensed practitioner to dispense a controlled substance in New York. Thus, because Registrant lacks authority to practice medicine in New York and, therefore, is not authorized to handle controlled substances in New York, Registrant is not eligible to maintain a DEA registration. Accordingly, I will order that Registrant’s DEA registration be revoked.

Order

Pursuant to 28 CFR 0.100(b) and the authority vested in me by 21 U.S.C. 824(a), I hereby revoke DEA Certificate of Registration No. AM9630080 issued to Shah M. Mairuz Zaman, M.D. Further, pursuant to 28 CFR 0.100(b) and the authority vested in me by 21 U.S.C. 823(f), I hereby deny any pending application of Shah M. Mairuz Zaman, M.D. to renew or modify this registration, as well as any other pending application of Shah M. Mairuz Zaman, M.D. for additional registration in New York. This Order is effective June 30, 2022.

Administrator.

Overview of this information collection:

1. *Type of Information Collection:* Revision of a currently approved collection.
2. *The Title of the Form/Collection:* Application Form for the United States Victims of State Sponsored Terrorism Fund (USVSST Fund).
3. *The agency form number, if any, and the applicable component of the Department sponsoring the collection:* Form number: N/A. The U.S. Victims of State Sponsored Terrorism Fund, U.S. Department of Justice, Criminal Division.
4. *Affected public who will be asked or required to respond, as well as a brief abstract:*

The USVSST Fund was established to provide compensation to certain

individuals who were injured as a result of acts of international terrorism by a state sponsor of terrorism. Under the Justice for United States Victims of State Sponsored Terrorism Act (Act), 34 U.S.C. 20144(c), as amended, an eligible claimant is (1) a U.S. person, as defined in 34 U.S.C. 20144(j)(8), with a final judgment issued by a U.S. district court under state or federal law against a state sponsor of terrorism and arising from an act of international terrorism, for which the foreign state was found not immune under provisions of the Foreign Sovereign Immunities Act, codified at 28 U.S.C. 1605A or 1605(a)(7) (as such section was in effect on January 27, 2008); (2) a U.S. person, as defined in 34 U.S.C. 20144(j)(8), who was taken and held hostage from the United States Embassy in Tehran, Iran, during the period beginning November 4, 1979, and ending January 20, 1981; or the spouse and child of that U.S. person at that time, who is also identified as a member of the proposed class in case number 1:00–CV–03110 (EGS) of the United States District Court for the District of Columbia; or (3) the personal representative of a deceased individual in either of those two categories.

The information collected from the USVSST Fund's Application Form will be used to determine whether applicants are eligible for compensation from the USVSST Fund, and if so, the amount of compensation to be awarded. The Application Form consists of parts related to eligibility and compensation. The eligibility parts seek the information required by the Act to determine whether a claimant is eligible for payment from the USVSST Fund, including information related to participation in federal lawsuits against a state sponsor of terrorism under the Foreign Sovereign Immunities Act. The compensation parts seek the information required by the Justice for United States Victims of State Sponsored Terrorism Act, as amended, to determine the amount of compensation for which the claimant is eligible. Specifically, the compensation parts seek information regarding the amount of compensatory damages awarded the claimant in a final judgment as well as any payments from sources other than the USVSST Fund, as defined in 34 U.S.C. 20144(j)(6), that the claimant received, is entitled to receive, or is scheduled to receive, as a result of the act of international terrorism by a state sponsor of terrorism.

5. *An estimate of the total number of applicants and the amount of time estimated for an average applicant to respond:* It is estimated that 700 respondents may complete the

Application Form. It is estimated that respondents will complete the paper form or the electronic form in an average of 1.25 hours.

6. *An estimate of the total public burden (in hours) associated with the collection:* The estimated public burden associated with this collection is 875 hours.
