

qualified facility placed in service after December 31, 2021, from the qualified energy resources of open-loop biomass, landfill gas, and trash. The credit for renewable electricity production for calendar year 2025 determined under section 45(a) is also 0.3 cents per kilowatt hour on the sale of electricity produced in any qualified facility placed in service after December 31, 2021, and before January 1, 2023, from the qualified energy resources of qualified hydropower and marine and hydrokinetic renewable energy.

*Credit Amount for Qualified Hydropower Facilities and Marine and Hydrokinetic Renewable Energy Facilities Placed in Service After December 31, 2022:* The one-half reduction under section 45(b)(4)(A) no longer applies to qualified hydropower facilities and marine and hydrokinetic renewable energy facilities placed in service after December 31, 2022. Accordingly, under the calculation required by section 45(b)(2), the credit for renewable electricity production for calendar year 2025 determined under section 45(a) is 0.6 cents per kilowatt hour on the sale of electricity produced in any qualified facility placed in service after December 31, 2022, from the qualified energy resources of qualified hydropower and marine and hydrokinetic renewable energy.

(Authority: 45(e)(2)(A) (26 U.S.C. 45(e)(2)(A)) of the Internal Revenue Code.)

## **DEPARTMENT OF VETERANS AFFAIRS**

### **Cooperative Studies Scientific Evaluation Committee, Amended, Notice of Meeting**

The Department of Veterans Affairs (VA) gives notice under the Federal Advisory Committee Act, 5 U.S.C. Ch. 10, that the Cooperative Studies Scientific Evaluation Committee (CSSEC) will hold a virtual meeting on June 12, 2025, via MS Teams from 10 a.m.–4 p.m. EST.

The Committee provides expert advice on VA cooperative studies, multi-site clinical research activities, and policies related to conducting and managing these efforts. The session will be open to the public for the first 30 minutes of the meeting (approximately) for the discussion of administrative matters and the general status of the program. The remaining portion of the meeting will be closed to the public for the Committee's review, discussion, and evaluation of research and development applications.

During the closed portion of the meeting, the Committee's discussions

and recommendations will address the qualifications of the personnel conducting the studies; staff and consultant critiques of research proposals and similar documents; and the medical records of study subjects, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy. Additionally, premature disclosure of research information to the public could significantly obstruct implementation of approved research activities. As provided by Public Law 92–463 subsection 10(d), and amended by Public Law 94–409, closing the Committee meeting is in accordance with 5 U.S.C. 552b(c)(6) and (9)(B).

The Committee will not accept oral comments from the public for the open portion of the meeting. Members of the public who wish to attend the open teleconference should call 872–701–0185, conference ID 554 433 71#. Those who plan to attend, would like additional information, or would like to submit written comments should contact David Burnaska, Program Manager, Cooperative Studies Program (14RD), Department of Veterans Affairs, 810 Vermont Avenue NW, Washington, DC 20420, at [David.Burnaska@va.gov](mailto:David.Burnaska@va.gov).

Dated: May 21, 2025.

**LaTonya L. Small,**  
*Federal Advisory Committee Management Officer.*
