

will summarize and/or include your comments in the request for OMB's clearance of this information collection.

OMB Control Number: 2120-0701.

Title: Advanced Qualification Program (AQP) Subpart Y to 14 CFR 121.

Form Numbers: N/A.

Type of Review: Renewal of an information collection.

Background: Under Special Federal Aviation Regulation No. 58, Advanced Qualification Program (AQP), the FAA provides certificated air carriers, as well as training centers they employ, with a regulatory alternative for training, checking, qualifying, and certifying aircrew personnel subject to the requirements of 14 CFR parts 121 and 135. Data collection and analysis processes ensure that the certificate holder provides performance information on its crewmembers, flight instructors, and evaluators that will enable them and the FAA to determine whether the form and content of training and evaluation activities are satisfactorily accomplishing the overall objectives of the curriculum.

Respondents: 25 Respondents with approved Advanced Qualification Programs.

Frequency: Monthly.

Estimated Average Burden per Response: 7 hours.

Estimated Total Annual Burden: 2,100 hours.

Issued in Washington, DC, on November 9, 2020.

Sandra L. Ray,

Aviation Safety Inspector, FAA, Policy Integration Branch, AFS-270.

SUPPLEMENTARY INFORMATION:

Title: Assessment of Transportation Planning, Performance and Asset Management Agency Needs, Capabilities, and Capacity.

Background: FHWA will collect information on the current state of the practice, data, methods, and systems used by state, metropolitan, regional, local, and tribal transportation planning entities to support their required planning, performance and asset management processes in accordance with Title 23 United States Code 134, 135, 150, and 119. This includes, but is not limited to, information to support transportation research, capacity building, data collection, planning, travel modeling, and performance and asset management. This also includes information about how data is shared between planning agencies and how it is processed and used in the planning and programming context.

Questionnaires will be sent to State DOT headquarters and districts, Metropolitan Planning Organizations, Regional Planning Organizations, and

Tribal Governments. FHWA anticipates that one representative from each agency will take approximately 30 minutes to complete up to 4 questionnaires each year. The questionnaires will be administered via the internet and invitations to participate in the questionnaire will be distributed via email.

This information, once compiled, will allow the FHWA to better understand the existing capabilities that agencies across the country have in support of the planning, performance and asset management processes and the readiness they possess to handle new and ongoing challenges. As a result of the collected information, FHWA will focus its efforts and resources on providing targeted and meaningful support for planning, performance and asset management implementation nationwide. Additionally, FHWA will ensure that excellent planning, performance and asset management practices are identified will be shared broadly across the country.

Respondents: Respondents are representatives of State DOT headquarters and districts, Metropolitan Planning Organizations, Regional Planning Organizations, and Tribal Governments.

Respondents: 950 respondents annually.

Frequency: 4 per year for 3 years.

Estimated Average Burden per Response: Approximately 30 minutes.

Estimated Total Annual Burden Hours: Up to 1,900 hours annually.

Public Comments Invited

You are asked to comment on any aspect of this information collection, including: (1) Whether the proposed collection of information is necessary for the USDOT's performance, including whether the information will have practical utility; (2) the data acquisition methods; (3) the accuracy of the USDOT's estimate of the burden of the proposed information collection; (4) the types of data being acquired; (5) ways to enhance the quality, usefulness, and clarity of the collected information; and (6) ways that the burden could be minimized without reducing the quality of the collected information. The agency will summarize and/or include your comments in the request for OMB's clearance of this information collection.

BILLING CODE P

DEPARTMENT OF TRANSPORTATION

Federal Railroad Administration

[Docket Number FRA-2020-0086]

Petition for Waiver of Compliance

Under part 211 of title 49 Code of Federal Regulations (CFR), this document provides the public notice that on November 3, 2020, St. Marys Railroad, LLC (SM) petitioned the Federal Railroad Administration (FRA) for a waiver of compliance from certain provisions of the Federal railroad safety regulations contained at 49 CFR part 215. FRA assigned the petition Docket Number FRA-2020-0086.

Specifically, SM requested relief from 49 CFR 215.203, *Restricted cars*, and 49 CFR 215.303, *Stenciling of restricted cars*, concerning 3 flatcars (SM 1001, 1002, and 1003) and 2 cabooses (SM 0616 and SM X395), all over 50 years of age and converted to excursion service.

SM operates over 9 miles of track between St Marys and Kingsland, Georgia, under other-than-main-track rules and not exceeding 25 miles per hour. The cars will not be utilized in interchange service, and SM wishes to maintain the cars' historic appearance for preservation purposes.

A copy of the petition, as well as any written communications concerning the petition, is available for review online at www.regulations.gov. The Docket Operations Facility is open from 9 a.m. to 5 p.m., Monday through Friday, except Federal Holidays.

Interested parties are invited to participate in these proceedings by submitting written views, data, or comments. FRA does not anticipate scheduling a public hearing in connection with these proceedings since the facts do not appear to warrant a hearing. If any interested parties desire an opportunity for oral comment and a public hearing, they should notify FRA, in writing, before the end of the comment period and specify the basis for their request.

All communications concerning these proceedings should identify the appropriate docket number and may be submitted by any of the following methods:

- *Website:* <http://www.regulations.gov>.

Follow the online instructions for submitting comments.

- *Fax:* 202-493-2251.

• *Mail:* Docket Operations Facility, U.S. Department of Transportation (DOT), 1200 New Jersey Ave. SE, W12-140, Washington, DC 20590.

• *Hand Delivery:* 1200 New Jersey Ave. SE, Room W12-140, Washington, DC 20590, between 9 a.m. and 5 p.m., Monday through Friday, except Federal Holidays.

Communications received by December 31, 2020 will be considered by FRA before final action is taken. Comments received after that date will be considered if practicable. Anyone can search the electronic form of any written communications and comments received into any of our dockets by the name of the individual submitting the comment (or signing the document, if submitted on behalf of an association, business, labor union, etc.). Under 5 U.S.C. 553(c), DOT solicits comments from the public to better inform its processes. DOT posts these comments, without edit, including any personal information the commenter provides, to www.regulations.gov, as described in the system of records notice (DOT/ALL-14 FDMS), which can be reviewed at <https://www.transportation.gov/privacy>. See also <https://www.regulations.gov/privacyNotice> for the privacy notice of regulations.gov.

Issued in Washington, DC.
