The applicant is requesting authority to reorganize its zone project to include existing Site 3 as a "magnet" site and Site 1 as a "usage driven" site. The ASF allows for the possible exemption of one magnet site from the "sunset" time limits that generally apply to sites under the ASF, and the applicant proposes that Site 3 be so exempted. The applicant is also requesting that Sites 2 and 4 be removed from the zone project.

In accordance with the Board's regulations, Elizabeth Whiteman of the FTZ Staff is designated examiner to evaluate and analyze the facts and information presented in the application and case record and to report findings and recommendations to the Board.
