concerning the proposed collection of  
information to: (1) Evaluate whether the  
proposed collection of information is  
necessary for the proper performance of  
the functions of the agency, including  
whether the information will have  
practical utility; (2) Evaluate the  
accuracy of the agency's estimate of the  
burden of the proposed collection of  
information; (3) Enhance the quality,  
utility, and clarity of the information to  
be collected; and (4) Minimize the  
burden of the collection of information  
on those who are to respond; including  
through the use of appropriate  
automated collection techniques or  
other forms of information technology,  
e.g., permitting electronic submission of
