SUMMARY: On August 10, 2005, the Department of Commerce (the Department) published in the **Federal Register** its preliminary results of administrative review of the countervailing duty order on polyethylene terephthalate film, sheet, and strip from India for the period January 1, 2003, through December 31, 2003. See *Notice of Preliminary Results and Rescission in Part of Countervailing Duty Administrative Review: Polyethylene Terephthalate Film, Sheet, and Strip from India*, 70 FR 46483 (August 10, 2005) (*Preliminary Results*). (Polyplex), as discussed in the "Memorandum from Stephen J. Claeys, Deputy Assistant Secretary, to David M. Spooner, Assistant Secretary for Import Administration concerning the Final

Results of Countervailing Duty Administrative Review: Polyethylene Terephthalate Film, Sheet, and Strip from India" (Decision Memorandum) dated concurrently with this notice and hereby adopted by this notice. SUPPLEMENTARY INFORMATION:

Background

On August 10, 2005, the Department published its *Preliminary Results* in the **Federal Register**. We invited interested parties to comment on the results. On September 12, 2005, Dupont Teijin Films, Mitsubishi Polyester Film of America, Toray Plastics (America) and SKC America, Inc. (collectively, the petitioners), the Government of India (the GOI), as well as Polyplex and Jindal, filed case briefs. Polyplex, Jindal, and the petitioners filed rebuttal briefs on September 19, 2005.

Pursuant to 19 CFR 351.213(b), this review covers only those producers or exporters of the subject merchandise for which a review was specifically requested. Accordingly, this review covers Jindal and Polyplex, and evaluates sixteen programs. The period of review ("POR") is January 1, 2003, through December 31, 2003.

Scope of the Order

The products covered by this order are all gauges of raw, pretreated, or primed PET film, whether extruded or coextruded. Excluded are metallized films and other finished films that have had at least one of their surfaces modified by the application of a performance-enhancing resinous or inorganic layer of more than 0.00001 inches thick. Imports of PET film are currently classifiable in the Harmonized Tariff Schedule of the United States (HTSUS) under item number 3920.62.00. HTSUS subheadings are provided for convenience and customs purposes. The written description of the scope of this order is dispositive.

Analysis of Comments Received

All issues raised in the case and rebuttal briefs by parties to this review are addressed in the Decision Memorandum. A list of the issues contained in the Decision Memorandum

is attached to this notice as Appendix I. Parties can find a complete discussion of all issues raised in this review and the corresponding recommendations in this public memorandum, which is on file in the Central Records Unit in room B-099 of the main Commerce building. In addition, a complete version of the Decision Memorandum can be accessed directly at <http://www.ia.ita.doc.gov/frn/index.html>. The paper copy and electronic version of the Decision Memorandum are identical in content.

Final Results of Review

In accordance with 19 CFR 351.221(b)(5), we calculated individual subsidy rates for the producer/exporters, Jindal and Polyplex, subject to this review. We determine the net subsidy for Jindal to be 15.07 percent *ad valorem*, and the net subsidy for Polyplex to be 9.24 percent *ad valorem*.

Assessment and Cash Deposit Instructions

We will instruct U.S. Customs and Border Protection (CBP) to assess countervailing duties as indicated above. The Department will instruct CBP to collect cash deposits of estimated countervailing duties as detailed above, based upon the f.o.b. invoice price on all shipments of the subject merchandise from the producer/exporters under review, entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this administrative review.

We will instruct CBP to continue to collect cash deposits for non-reviewed companies at the most recent company-specific or country-wide rate applicable to the company. Accordingly, the cash deposit rates that will be applied to non-reviewed companies covered by this order will be the rate for that company established in the most recently completed administrative proceeding conducted under the URAA. *See Notice of Countervailing Duty Order: Polyethylene Terephthalate Film, Sheet, and Strip (PET film) from India*, 67 FR 44179 (July 1, 2002). These rates shall apply to all non-reviewed companies until a review of a company assigned this rate is requested. In addition, for the period January 1, 2003, through December 31, 2003, the assessment rates applicable to all non-reviewed companies covered by this order are the cash deposit rates in effect at the time of entry.

In the *Preliminary Results* we determined that Jindal Polyester Limited had changed its name to Jindal Poly Films Limited. We stated that if we found no reason to reverse this decision,

we would update our instructions to CBP to reflect this name change. No parties commented on this and no other new information or evidence of changed circumstances has been presented to warrant reconsideration of this finding. Thus we plan to issue instructions to CBP to reflect this name change.

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

This administrative review and notice are issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: February 6, 2006.

David M. Spooner,

Assistant Secretary for Import Administration.
